Coahoma Community College

Library Orientation Survey Report

2013-2014

During Fall 2013, Coahoma Community College's library staff provided library orientation to faculty and students enrolled at the institution. Instructors and students evaluated the library orientation using the Library Orientation Survey.

A total of fourteen (14) instructors and one-hundred and ninety students (190) from the main campus and the institution's off-campus sites participated in the survey. This report provides the student and faculty survey results.
