How the College Determined Which Students Would Receive HEERF I Grants

- Section 18004(c) of the CARES Act requires institutions to use funds received from Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care).
- Coahoma Community College has determined that the forced closing of all physical locations, including classrooms, labs, learning resource centers, student activities centers, residence halls, cafeterias, daycare centers; and the shifting of all traditional face-to-face classes and college services (admissions, financial aid, advising) to an online environment, has resulted in unexpected expenses for all CCC students in one or more of the following areas:
 - Additional course material and technology expenses (shift from traditional face-to-face courses to an online environment)
 - Housing expenses (relocating away from campus)
 - Food expenses (purchasing meals provided by campus cafeteria)
 - Child Care Expenses (closing of on-campus daycare centers)
 - Travel expenses (returning to home residency due to campus closure)
 - Health Care Expenses (replacement of medications)
- To be eligible to receive a CARES Grant, a student must have met all eligibility requirements under of the CARES Grant Program.
- CCC automatically awarded Immediate Assistance Grants to eligible students in the following amounts.
 - Level One Grant – \$1200. Eligible students had 12 or more credit hours converted from face to face to online.
