

ANNUAL SCHOLARSHIP GOLF TOURNAMENT

"Changing lives one student at a time."

This golf tournament was started in an effort to fund some of the shortfalls that college students face financially, and thus not deny students entry into one of the many majors at Coahoma Community College. These students go on to be outstanding citizens in areas that have traditionally been underserved.

97% of the students enrolled in Coahoma Community College will require some financial aid, compared with 78% nationally. Budgets are being squeezed, and financial aid to students is shrinking.

To date, the Annual Scholarship Golf Tournament has distributed in excess of \$275,000 to students that had no other source of financial assistance. Without these funds, students would not have been able to complete their curriculum.

Please join us on September 27 at Tunica National Golf and Tennis Club to support this very worthwhile event. If you wish to support us, but not play in the tournament, donations can be made to: "Coahoma Community College Annual Scholarship Golf Tournament Fund." Deadline to register is: September 6, 2019
