

# Morgan Freeman Scholarship Golf Tournament

Changing Lives One Student At A Time

97% of the students enrolled in Coahoma Community College will require some financial aid, compared with 78% nationally. Budgets are being squeezed, and financial aid to students is shrinking.

To date, the **Morgan Freeman Scholarship Golf Tournament** has, over the past five years, distributed in excess of \$100,000 to students that had no other source of financial assistance. Without these funds, students would not have been able to complete their curriculums.

Please join us on **September 18** to enjoy a round of golf on one of the premier golf courses in the Mid-South, to benefit students that will become the professionals of tomorrow.
