

COAHOMA COMMUNITY COLLEGE SHORT-TERM CERTIFICATE
PROGRAMS
Application & Admission Procedure for Emergency Medical Technician
(EMT)

Incomplete
applications will not be
considered

General Information

(There is a minimum of 10 students required to begin a class, any class not meeting this requirement will be canceled.)

Emergency Medical Technician

This is a one semester instructional program that prepares individuals to function as a prehospital medical professional. The EMT program provides instruction in basic life support care of sick and injured persons. This includes airway assessment, communications, documentation, general pharmacology, hemorrhage control, ambulance operations, and splinting of adult, pediatric, and infant patients; and special care of patients exposed to heat, cold, radiation, or contagious disease. Emergency Medical Technicians are certified by the Mississippi State Department of Health Emergency Medical Services. Students who complete the program are eligible to take the *National Registry of Emergency Medical Technicians* Exam.

For additional information call (662) 621-4159.

Coahoma CC's Dept. of Emergency Medical Technology accepts applications to the EMT Program *year-round*, although classes are held in the fall and spring semesters. **The sooner you apply; the sooner we can review your application for any additional documents or college admission requirements.**

Tuition is \$ 845.00 for the entire semester. This fee includes the cost of the textbook, online learning software, uniforms, student ID, background check and drug screen.

Selection of qualified applicants begins approximately 6 weeks prior to the start of class. There are two (2) applications.

- This application addressed to: CCC Dept. of Emergency Medical Technology
917 Ohio Street
Clarksdale, MS 38614
- Online college application
NOTE: for the main campus Office of Admissions you must have a color copy of your social security card and state identification card (driver's license, etc.)

Application Process:

1. Fill out the attached packet. Upon mailing it or returning to our office you should have completed:
 - a. EMT Application
 - b. **Online** Coahoma Community College Application
[Click here for CCC online application](#)
 - c. *Official* High School Transcript/or GED certificate*
 - d. Signed and witnessed Background Check Policy and Consent
 - e. Signed and witnessed Drug Abuse Policy and Consent
 - f. Health Science Short-Term Performance Standards form
 - g. If you have attended college, please submit *official* college transcripts

***NOTE:** *Official transcripts* are those that are sent by the school directly to the Office of Emergency Medical Technology in a sealed institution envelope that has been marked 'official' by a school's administration. Any previous college coursework may be received by this method or by *E-Script sent directly to the Coahoma CC Admissions Office*.

- h. Submit Immunization Form 121 "Shot Record"
(from your county health department or personal healthcare provider's office)
 - a. Required immunizations include:
 - MMR
 - DTaP/DT/Td
 - Polio
 - Tdap
 - b. The following must be done within a 3-week period after start of class
 - i. Hepatitis B series (must have 1st shot) or positive serology titer for Hepatitis B or declination of Hepatitis B
 - ii. Varicella (chickenpox) immunization or positive serology titer for varicella (must have 1st shot)
 - iii. Completed 2 – step Tuberculosis (TB) Skin Test (both injections must be done and read within a 14-day period)
Previous TB skin tests are valid for 1 year.
 - c. Immunizations must be completed within a 3-week period after classes have started or you will be dropped from program.

2. After we receive your application packet, you will be scheduled for the *Adult Basic Education assessment (TABE) given at the Workforce Development Training Center on Sunbelt Drive, here in Clarksdale.*

NOTE: Applicants who have an ACT composite score of **16** or better will be considered in lieu of taking the TABE, however it is not a guarantee that the TABE will not be required for an applicant.

For applicants who have been out of school for an extended period of time, do not have an ACT score, or need assistance in preparing for the TABE, please call Ms. Tamara Washington-Travis at the CCC Workforce Development Training Center (662) 621-4307.

3. You will be notified of your admission status usually within 10 working days after the close of the application deadline.

Post Acceptance Requirements

- Drug screen and background check will be scheduled after admission to the program and the costs will come out of student fees.

There is no federal financial aid for certificate or short-term programs.

At least 1/3 of the program fee(s) is due the first day of class.

Telephone:
(662)621-4159

Website Address:
<http://www.coahomacc.edu/healthsciences/>

Emergency Medical Technician

- 1 Semester, 15 weeks (8 semester hours)
- **Classes/ labs on Saturdays from 9:00 am-6:00 pm (includes 1 hour for meal)**

Please be advised that the *Miss. Dept. of Health* requires at least **8 hours** of instruction per week. Coahoma CC will maintain strict adherence to this standard by providing classroom, lab and online instruction.

EMT PROGRAM MAILING ADDRESS:

Rena Butler Health Sciences Annex
917 Ohio Street
Clarksdale, MS.

Degree awarded:
Certificate of Completion
Estimated Costs/Fees: **\$ 845.00**

NOTE: Although classes meet once per week, additional coursework will be required outside of class using internet-based learning software. Please ensure that you have access to Wi-Fi or other internet coverage at home. If not, reasonable accommodations may be made; please see your instructor.

EMT students will also be required to complete *hospital and ambulance time* as they progress, this will also be in addition to the one-day class meetings but the instructor or the clinical coordinator will arrange your clinical and field requirements around work schedules.

Hospital and ambulance time is provided as an EMT student progresses through the curriculum and is the opportunity for the student to interact with other healthcare providers, participate in patient care, and learn how to work as part of the entire healthcare system.

In Summary:

Class & Lab: 9a-6p Saturday (or alternate day) **120 total hours**

Online- *Navigate-2* software that follows the textbook for EMT learning assignments completed from home

Clinical & Field Time: **45 total hours**

Textbook used: *Emergency Care & Transportation of the Sick and Injured* 11th ed. (2017) AAOS

HEALTH SCIENCES SHORT-TERM CERTIFICATE PROGRAMS

Performance Standards for Admission and Progression

The following performance standards provide descriptions of basic cognitive, sensory, affective, and psychomotor requirements for successful EMT Program completion. Applicants and students who cannot meet one or more of the standards will be considered on an individual basis in terms of whether reasonable modification/accommodation can be made. Reasonable accommodations will be examined in accordance with the Americans with Disabilities Act (ADA) as well as the Performance Standards for Admission and Progression.

In order to successfully complete the EMT Program, an applicant/student must be able to do the following:

- 1. Demonstrate critical thinking skills.**
Examples
 - make decisions using logic, creativity and reasoning to make sound clinical judgments based on standards of EMT
 - demonstrate arithmetic ability to use measuring tools and able to tell time
- 2. Display interpersonal skills sufficient to interact with individuals, families, and groups in a variety of settings in the community.**
Examples
 - respect differences among clients and exhibit an attitude accepting of clients as individuals
 - establish rapport in order to communicate effectively with clients, families, significant others, and health team members
 - work effectively in small groups as a team member
- 3. Demonstrate appropriate verbal and written communication skills.**
Examples
 - speak English coherently to clients, families, and other staff members
 - clearly explains to the patient the EMT care given
 - provide clear, understandable and write based upon proper use of the English language
- 4. Exhibit physical ability sufficient to perform and/or assist clients to meet health care needs in a variety of settings, including moving from room-to-room, to maneuver in small spaces, and to negotiate stairwells when necessary.**
Examples

- physical mobility and strength sufficient to propel wheelchairs, stretchers, etc. through doorways and close fitting areas alone or with assistance
- stand, walk up to 75% of 6 to 12 hour shifts
- stoop, bend, squat, reach overhead as required to reach equipment
- lift a minimum of 20 pounds of weight
- transfer/position up to 300 pounds with assistance while lifting, positioning, and transferring clients
- provide for activities of daily living (bed bath, oral hygiene, dressing, etc.)
- perform CPR satisfactorily and respond quickly in an emergency situation

5. **Demonstrate gross and fine motor abilities sufficient to provide safe and effective**

Examples

- demonstrate physical dexterity and coordination in delivery of care
- pick up, grasp, and effectively manipulate small objects such as dials, switches
- calibrate and use equipment

6. **Display auditory, visual, and tactile ability sufficient to safely care for clients.**

Examples

- hear monitors, alarms, emergency signals, cries for help, telephone, intercom interactions, and public address systems (codes)
- perceive and receive verbal communications from clients, families, and health team members
- read written words and information on paper, small print, gauges, measuring cups, and other equipment
- discriminate colors; changes in color, size and continuity of body parts
- discriminate changes in normal body activities such as breathing patterns
- observe hazards in environment (water spills, safety rails, restraints) and harmful situations
- palpate pulses, feel for heat or cold, tap body surfaces PLEASE CHECK:

_____ I do not require special accommodations to meet the performance standards.

_____ I will need the following accommodations to meet performance standards.

Please list _____

I understand the requirements and feel that I can achieve the performance standards described for the EMT Program.

Signature _____ Date _____

COAHOMA COMMUNITY COLLEGE
HEALTH SCIENCE SHORT-TERM CERTIFICATE PROGRAMS BACKGROUND
INFORMATION SIGNATURE FORM

All students who will be providing direct patient care in health care institutions regulated by the MS Department of Health should be aware that Mississippi law requires background checks for individuals seeking employment in a health care facility.

According to the Mississippi State Law, an individual may not be eligible for employment or clinical rotations if the criminal history record check discloses a felony conviction, guilty plea or plea of nolo contendere to:

- felony of possession or sale of drugs
- murder, manslaughter
- armed robbery
- rape, sexual battery, or other sex offense listed in Section 45-33-23 (f) of the Mississippi code
- child abuse
- Arson
- grand larceny, burglary
- gratification of lust or aggravated assault, or felonious abuse and/or battery of a vulnerable adult that has not been reversed on appeal or for which a pardon has not been granted.

If the background checks reveals no results, the student will only receive a letter stating that there were no limitations/ violations and the student will be allowed to continue to clinical.

If background results are received, the student is required to submit their NCIC printout or 'rap sheet' to the Office of Emergency Medical Technology so that copies of this report may be made for further review by a compliance committee.

I, _____ have read and understand the above information regarding the Mississippi State Law requiring background checks for individuals providing direct patient care in health care institutions regulated by the MS Department of Health.

Coahoma Community College
Information Sheet for the TABE (Test of Adult Basic Education)

What is the TABE? The TABE is a pre-entrance test required for all applicants to the Coahoma Community College (CCC) Phlebotomy Program, Nursing Assistant Program and Emergency Medical Technician Program (EMT). The TABE is used to evaluate applicants for admission to the EKG/Phlebotomy program. The TABE is only one of several criteria used in the selection process. The TABE evaluates 2 different academic areas-reading and applied mathematics.

How do I prepare for the TABE? The TABE Study Guide is available for sale in the CCC Bookstore or online at <http://www.studyguidezone.com/tabetest.htm>.

How do I register to take the TABE?

For Nurse Aide Call 662-621-4687

For EKG Technician and Phlebotomy Call 662-621-4210

EMT Call 662-621-4159

You may take the TABE test up to 2 times, application time permitting. If you do not do well on the first attempt, you must participate in the remediation class before attempting again.

Where do I take the TABE? The TABE is a paper and pencil test given at the CCC Workforce Center at 510 Sunbelt Drive, Clarksdale, MS (located on Highway 49 South), phone number (662) 627-9139. Parking is available in the front of the building.

- Bring a picture ID on the day of the test. Applicants will not be allowed to test without it.
- Calculators are not allowed.
