OFFICE OF THE PRESIDENT

Dear Coahoma Community College Alumni,

Welcome to the Coahoma Community College (Coahoma) Alumni Association website! Our experiences as graduates connect all of us in a very special way, so I hope you will use this website as a means to keep that connection current, no matter where life takes you. It is indeed a great joy to know that while we may be separated by great distances physically, we are united.

On behalf of our current students and the College alumni group, I want to sincerely thank you for your past contributions and continuing support. Without a doubt, your alumni association is a leading light and a great inspiration to all existing and upcoming alumni. Really, your actions and goodwill remind me of the fact that greatness is not about what we have but about what we give.

Membership in the association is available to all friends and alumni of the college for an annual membership fee, which includes local and national membership. One year's free membership in the association is given to each graduating sophomore.

Our Membership Dues:

- CCC National Alumni Association annual membership dues-\$50.00 (expires yearly in Dec.)
- CCC National Alumni Association Life Membership-\$250.00
- Life membership for married couples - \$200.00 per person.

Membership offers many benefits, as your relationship with Coahoma Community College should not end at graduation. There is much the college can do for you throughout life and much that you can, and are encouraged to, do in support of your alma mater.

So I invite you to return to campus for Homecoming and for other activities. Follow us on **Facebook**, **Twitter** and **Instagram** and support your fellow **Tigers**. Get involved in your hometown through your alumni association and help us recruit talented students to Coahoma.

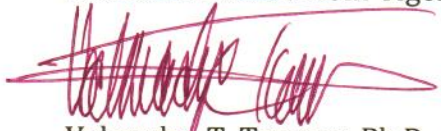

Thank you for visiting the Alumni website. Please re-visit this site often for updates on alumni news and events. When you return to campus, please stop by the alumni office located at Charles F. Reid Sponsored Programs Building, 3240 Friars Point Road, Clarksdale, MS 38614.
