Recipient’s Funding Certification and Agreement

Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief, and Economic Security (CARES) Act

Section 18004(a)(1) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), authorizes the Secretary of Education (“Secretary”) to allocate formula grant funds in the amount of $1,568,437 to Coahoma Community College (“Recipient”).

Section 18004(c) of the CARES Act requires Recipient to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance such as food, housing, course materials, technology, health care, and child care). This Certification and Agreement solely concerns the emergency financial aid grants to students under Section 18004(c) of the CARES Act.

To address the pressing financial need of students due to the disruption of campus operations from coronavirus, and pursuant to the authority duly delegated to the Secretary under the CARES Act and associated with the coronavirus emergency, as stated in Proclamation 9994 of March 13, 2020, “Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak,” Federal Register Vol. 85, No. 53 at 15337-38, the Secretary and Recipient agree as follows:

1. The Secretary will provide Recipient fifty (50) percent of its formula grant funds (the “advanced funds”) for the sole and exclusive purpose of providing emergency financial aid grants to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses.

2. Recipient agrees to promptly make available emergency financial aid grants from the advanced funds directly to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care expenses. Recipient shall not use the advanced funds to reimburse itself for any costs or expenses, including but not limited to any costs associated with significant changes to the delivery of instruction due to the coronavirus and/or any refunds or other benefits that Recipient previously issued to students.

3. Recipient retains discretion to determine the amount of each individual emergency financial aid grant consistent with all applicable laws including non-discrimination laws. Recipient acknowledges that the Secretary recommends the maximum Federal Pell Grant for the applicable award year as an appropriate maximum amount for a student’s emergency financial aid grant in most cases, and the Recipient should be mindful of each student’s particular socioeconomic circumstances in the staging and administration of these grants. The Secretary strongly encourages Recipient’s financial aid administrator to exercise the use of professional
judgment available under Section 479A of the Higher Education Act of 1965 (HEA), 20 U.S.C § 1087tt, to make adjustments on a case-by- case basis to exclude individual emergency financial aid grants from the calculation of a student’s expected family contribution. The Secretary does not consider these individual emergency financial aid grants to constitute Federal financial aid under Title IV of the HEA.

4. In consideration for the advanced funds and as conditions for their receipt, Recipient warrants, acknowledges, and agrees that:

(a) The advanced funds shall not be used for any purpose other than the direct payment of grants to students for their expenses related to the disruption of campus operations due to coronavirus, such as food, housing, course materials, technology, health care, and child-care;

(b) Recipient holds those funds in trust for students and acts in the nature of a fiduciary with respect thereto;

(c) Recipient shall promptly comply with Section 18004(e) of the CARES Act and (i) report to the Secretary thirty (30) days from the date of this Certification and Agreement and every forty-five (45) days thereafter in accordance with 2 CFR 200.333 through 2 CFR 200.337, or in such other additional form as the Secretary may specify, how grants were distributed to students, the amount of each grant awarded to each student, how the amount of each grant was calculated, and any instructions or directions given to students about the grants; and (ii) document that Recipient has continued to pay all of its employees and contractors during the period of any disruptions or closures to the greatest extent practicable, explaining in detail all specific actions and decisions related thereto, in compliance with Section 18006 of the CARES Act;

(d) Recipient shall comply with all requirements in Attachment A to this Certification and Agreement;

(e) Recipient shall promptly and to the greatest extent practicable distribute all the advanced funds in the form of emergency financial aid grants to students by one year from the date of this Certification and Agreement, and document its efforts to do so as part of the report specified in subsection (c) above;

(f) Recipient shall cooperate with any examination of records with respect to the advanced funds by making records and authorized individuals available when requested, whether by (i) the U.S. Department of Education and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority; and
(g) failure to comply with this Certification and Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CARES Act or any other applicable law may result in Recipient’s liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; 18 USC § 1001, as appropriate; and all of the laws and regulations referenced in Attachment A, which is incorporated by reference hereto.

Recipient's Certification and Agreement

for an Award under Section 18004(a)(2) of the Higher Education Emergency Relief Fund,
Coronavirus Aid, Relief, and Economic Security (CARES) Act

Section 18004(a)(2) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), authorizes the Secretary of Education ("Secretary") to make an award in the amount provided in the column labeled "Total Allocation" on the Table "Allocations for Section 18004(a)(2) of the CARES Act," which is hereby incorporated by reference, to Coahoma Community College ("Recipient").

Section 18004(a)(2) of the CARES Act authorizes the Secretary to make additional awards under parts A and B of title III, parts A and B of title V, and subpart 4 of part A of title VII of the Higher Education Act of 1965, as amended ("HEA"), to address needs directly related to the coronavirus. These awards are in addition to awards made in Section 18004(a)(1) of the CARES Act and have been allocated by the Secretary proportionally to such programs based on the relative share of funding appropriated to such programs in the Further Consolidated Appropriations Act, 2020 (Public Law 116-94).

Pursuant to Section 18004(a)(2) of the CARES Act, Recipient may use this award to defray expenses incurred by Recipient, including lost revenue, reimbursement for expenses already incurred, technology costs associated with a transition to distance education, faculty and staff trainings, and payroll ("Recipient's Expenses"). Recipient also may use this award for grants to students for any component of the student's cost of attendance, as defined under Section 472 of the HEA, including food, housing, course materials, technology, health care, and child care ("Student Grants" or "Student Grant").

Pursuant to the Secretary's authority under the CARES Act and associated with the coronavirus emergency, as stated in Proclamation 9994 of March 13, 2020, "Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak," Federal Register Vol. 85, No. 53 at 15337-38 (hereinafter " Proclamation of National Emergency"), the Secretary and Recipient agree as follows:

1. The Secretary will provide Recipient an award for Recipient's Expenses and Student Grants under Section 18004(a)(2) of the CARES Act.

2. Recipient agrees that the amount of the award is the full amount that Recipient may receive under Section 18004(a)(2) of the CARES Act.

3. Although the CARES Act does not require Recipient to use at least 50% of this award for grants to students (as is required under funds received under Section 18004(a)(1) and Section 18004(c) of the CARES Act), the Secretary urges Recipient to devote the maximum possible amount of the award to Student Grants, including some or all of the award that a Recipient may use for Recipient's Expenses, especially if Recipient has a significant endowment or other resources at its disposal. The Secretary urges Recipient to take strong measures to ensure that Student Grants are made to the maximum extent possible.
4. In consideration for the award and as conditions for its receipt, Recipient warrants, acknowledges, and agrees that:

(a) The funds shall be used solely for the purposes authorized in Section l8004(a)(2) of the CARES Act.

(b) Recipient must submit this Certification and Agreement on or before August 1, 2020 through the website, grants.gov (https://www.grants.gov).

(c) Consistent with Section 18006 of the CARES Act, Recipient agrees that to the greatest extent practicable, Recipient will pay all of its employees and contractors during the period of any disruptions or closures related to the coronavirus. The Department would not consider the following to constitute Recipient's Expenses and, therefore, would not view them as allowable expenditures: senior administrator and/or executive salaries, benefits, bonuses, contracts, incentives; stock buybacks, shareholder dividends, capital distributions, and stock options; and any other cash or other benefit for a senior administrator or executive.

(d) Recipient’s Expenses must have been first incurred on or after March 13, 2020, the date of the Proclamation of National Emergency.

(e) If Recipient is a Historically Black College and University or a Minority Serving Institution, then consistent with Section 18004(d)(2) of the CARES Act, Recipient may use prior awards provided under Titles III, V, and VII of the HEA to prevent, prepare for, and respond to coronavirus. Should Recipient avail itself of this flexibility, it must maintain appropriate records and cost documentation as required by 2 CFR 200.302 and 2 CFR 200.333 to separately account for prior award funds used to prevent, prepare for, and respond to coronavirus.

(f) Recipient will comply with all reporting requirements including those in Section 15011(b)(2) of Division B of the CARES Act and submit required quarterly reports to the Secretary, at such time and in such manner and containing such information as the Secretary may reasonably require (See also 2 CFR 200.327-200.329). The Secretary may require additional reporting in the future under Sections 15011(b)(2) and Section 18004(e), including but not limited to reporting on the use of the award for Recipient’s Expenses, demonstrating such use was in accordance with Section 18004(a)(2), accounting for the amount of reimbursements to Recipient for costs related to refunds made to students for housing, food, or other components of the student's cost of attendance that Recipient could no longer provide, and describing any internal controls Recipient has in place to ensure that funds were used for allowable purposes and in accordance with cash management principles. For grants made to students, the Recipient should maintain records on how grants were distributed to students, how the amount of each grant was calculated, and any instructions or directions given to students about the grants. Recipient also should maintain records on the amount of each grant awarded to each student for production only upon the request of a federal agency.

(g) Recipient shall comply with all requirements in Attachment A to this Certification and Agreement.
(h) Recipient shall promptly and to the greatest extent practicable use the award for Recipient's Expenses and Student Grants by one year from the date of this Certification and Agreement, and document its efforts to do so as part of the report specified in subsection (e) above.

(i) Recipient shall cooperate with any examination of records with respect to the award for Recipient's Expenses and Student Grants by making records and authorized individuals available when requested, whether by (i) the U.S. Department of Education and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

G) Recipient's failure to comply with this Certification and Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CARES Act or any other applicable law may result in Recipient's liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; 18 USC § 1001, as appropriate; and all of the laws and regulations referenced in Attachment A, which is incorporated by reference hereto.

Recipient's Funding Certification and Agreement
for the Institutional Portion of the Higher Education Emergency Relief Fund Formula
Grants Authorized by Section 18004(a)(l) of the Coronavirus Aid, Relief, and
Economic Security (CARES) Act

Sections 18004(a)(l) and 18004(c) of the CARES Act, Pub. L. No. 116-136 (March 27, 2020), authorizes the Secretary of Education ("Secretary") to allocate a maximum institutional portion of the formula grant funds in the amount of $1,568,436.00 (up to 50 percent of the amount authorized under Section 18004(a)(l) of the CARES Act) to Coahoma Community College ("Recipient").

Section 18004(c) of the CARES Act allows Recipient to use up to 50 percent of the funds received to cover any costs associated with significant changes to the delivery of instruction due to the coronavirus so long as such costs do not include payment to contractors for the provision of pre-enrollment recruitment activities, including marketing and advertising; endowments; or capital outlays associated with facilities related to athletics, sectarian instruction, or religious worship (collectively referred to as "Recipient's Institutional Costs"). Section 18004(c) also requires Recipient to use no less than fifty percent of the funds received to provide emergency financial aid grants to students for expenses related to the disruption of campus operations due to the coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care). This Certification and Agreement solely concerns Recipient's Institutional Costs, as defined above.

To address Recipient's Institutional Costs, and pursuant to the Secretary's authority under the CARES Act and associated with the coronavirus emergency, as stated in Proclamation 9994 of March 13, 2020, "Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak," Federal Register Vol. 85, No. 53 at 15337-38 (hereinafter "Proclamation of National Emergency"), the Secretary and Recipient agree as follows:

I. The Secretary will provide Recipient funds for Recipient's Institutional Costs as authorized under Sections 18004(a)(l) and 18004(c) of the CARES Act.

2. As a condition for receiving funds for Recipient's Institutional Costs, Recipient must have entered into the Funding Certification and Agreement for Emergency Financial Aid Grants to Students under the CARES Act. Recipient may, but is not required to, use funds designated for Recipient's Institutional Costs to provide additional emergency financial aid grants to students for expenses related to the disruption of campus operations due to coronavirus. If Recipient chooses to use funds designated for Recipient's Institutional Costs to provide such emergency financial aid grants to students, then the funds are subject to the requirements in the Funding Certification and Agreement.
Agreement for the Emergency Financial Aid Grants to Students under the CARES Act, entered into between Recipient and the Secretary.

3. The Secretary urges Recipient to devote the maximum amount of funds possible to emergency financial aid grants to students, including some or all of the funds earmarked for Recipient's Institutional Costs, especially if Recipient has significant endowment or other resources at its disposal. The Secretary urges Recipient to take strong measures to ensure that emergency financial aid grants to students are made to the maximum extent possible.

4. In consideration for the funds and as conditions for their receipt, Recipient warrants, acknowledges, and agrees that:

   (a) The funds shall be used solely for the purposes authorized in Section 18004(c) of the CARES Act. In accordance with Section 18004(c) of the CARES Act, Recipient shall not use funds for payment to contractors for the provision of pre-enrollment recruitment activities, which include marketing and advertising; endowments; or capital outlays associated with facilities related to athletics, sectarian instruction, or religious worship.

   (b) Recipient retains discretion in determining how to allocate and use the funds provided hereunder, provided that funds will be spent only on those costs for which Recipient has a reasoned basis for concluding such costs have a clear nexus to significant changes to the delivery of instruction due to the coronavirus. It is permissible for Recipient to use the funds for Recipient's Institutional Costs to reimburse itself for costs related to refunds made to students for housing, food, or other services that Recipient could no longer provide, or for hardware, software, or internet connectivity that Recipient may have purchased on behalf of students or provided to students.

   (c) Consistent with Section 18006 of the CARES Act, Recipient agrees that to the greatest extent practicable, Recipient will pay all of its employees and contractors during the period of any disruptions or closures related to the coronavirus. The Department would not consider the following Recipient's Institutional Costs to be related to significant changes to the delivery of instruction due to the coronavirus, and therefore would not view them as allowable expenditures: senior administrator and/or executive salaries, benefits, bonuses, contracts, incentives; stock buybacks, shareholder dividends, capital distributions, and stock options; and any other cash or other benefit for a senior administrator or executive.

   (d) Recipient’s Institutional Costs must have been first incurred on or after March 13, 2020, the date of the Proclamation of National Emergency.

   (e) Recipient will comply with all reporting requirements including those in Section 1501 I(b)(2) of Division B of the CARES Act and submit required quarterly reports to the Secretary, at such time and in such manner and containing such information as the Secretary may reasonably require (See also 2 CFR 200.327-200.329). The Secretary may require additional reporting in the future, including but not limited to reporting on the use of the funds for Recipient's Institutional Costs, demonstrating such use was in accordance with Section 18004(c), accounting for the amount of reimbursements to the Recipient for costs related to refunds made to students for housing, food, or other services that Recipient could no longer provide, and describing any internal controls Recipient
has in place to ensure that funds were used for allowable purposes and in accordance with cash management principles.

(f) Recipient shall comply with all requirements in Attachment A to this Certification and Agreement.

(g) Recipient shall promptly and to the greatest extent practicable use the funds for Recipient's Institutional Costs by one year from the date of this Certification and Agreement, and document its efforts to do so as part of the reports specified in subsection (e) above.

(h) Recipient shall cooperate with any examination of records with respect to the funds for Recipient's Institutional Costs by making records and authorized individuals available when requested, whether by (i) the U.S. Department of Education and/or its Inspector General; or (ii) any other federal agency, commission, or department in the lawful exercise of its jurisdiction and authority.

(i) Recipient's failure to comply with this Certification and Agreement, its terms and conditions, and/or all relevant provisions and requirements of the CARES Act or any other applicable law may result in Recipient's liability under the False Claims Act, 31 U.S.C. § 3729, et seq.; OMB Guidelines to Agencies on Governmentwide Debarment and Suspension (Nonprocurement) in 2 CFR part 180, as adopted and amended as regulations of the Department in 2 CFR part 3485; 18 USC § 1001, as appropriate; and all of the laws and regulations referenced in Attachment A, which is incorporated by reference hereto.
