Comments

2007 CCC Graduating Student Exit Survey

Provide any additional comments that CCC might use to improve overall institutional effectiveness:

- *Need improvement with registration.*
- *I'm satisfied with everything.*
- *Have no comments because I enjoyed attending this community college.*
- *At this time, I have no comments. The staff members at Coahoma Community College are doing a great job.*
- *Coahoma needs to improve by keeping up with grades.*
- *Thanks for allowing us to have the chance that we need to make it.*
- *I think Coahoma could improve on entertainment and recreational activities. They should plan more on-campus events for the students!*
- *Maybe the school could host different activities during the week and stop being so overprotective.*
- *More soap and paper towels are needed in women's restrooms.*
- *Coahoma should never change.*
- *I feel that instructors should be more interested in teaching the class than being friends with the students.*
- *Faculty and staff members should return calls when students leave messages.*
- *_____ Office loses grades, paperwork, and other important documents. Some office personnel should treat "adults" like adults, not children.*
- *Need more social gatherings for evening classes.*
- *Need more financial aid.*
- *They need to recognize evening classes more on Sophomore Day.*
- *Grades for graduates should be posted in a timely manner and be more organized.*
- *Need to give night students more attention.*
- *Attending CCC has created better opportunities.*
- *I enjoyed my years at CCC. Thanks to all.*
- *Instructor _____ needs a whole attitude adjustment. _____ is really ugly toward the human race. Many others feel the same.*
- *The improvements should be implemented by merging night students with more daytime activities. Evening students are not being challenged enough and do not know all of the benefits CCC has to offer. Vals need to be looked at from a different perspective because night students are non-traditional and cannot graduate within four consecutive semesters taking only 12 hours per semester.*
- *Popular classes should have enough books on hand at the bookstore.*
- *If it had not been for Mrs. Holmes and my favorite coach, Coach Peterson, I possibly would not have made it. I thank them each and every day.*
- *Grades should be posted in a timely manner for students, especially graduates.*
- *Registration needs to be more organized.*
- *Evening students need to get recognized for the things they do, and they need to participate in some of the morning activities.*
