Faculty Qualitative Results

SECTION II: FACULTY Library Orientation Survey Qualitative Results

Faculty Qualitative Results

Section II of the *Library Orientation Survey* consists of comments from faculty about their overall impression of the library orientation session.

2024-2025 Fall & Spring Comments from the Library Orientation Survey Results for Faculty

Comments:

1. I enjoyed the presentation because I gave me more insight on how the library is setup. Things have changed since I had to study or do research in the library years ago. This presentation made me think about where things are and how they are organized in the library.
2. Informative.
3. My overall impression of the presentation is that it was explained very well. Students and staff can definitely benefit from this presentation because it outlines the uses of the library in an easy-to-understand manner.
4. Professional.
5. Helpful.
6. It was great.
7. Music was a little loud in the videos, but overall good.
8. No suggestions at this time; the orientation is very detailed and easy to follow.
9. N/a.
10. can't think of anything else at the time.

2024 Fall Comments from the Library Orientation Survey Results for Students

Comments:

1. Class was okay. Never found iGrad.
2. Cool.
3. Don't have one.
4. Everything was great.
5. Easy to understand and well informed.
6. Good (4 counts)
7. Good 10/10
8. Good!
9. Great (4 Counts)
10. Great impression it helped me learn a lot about the CCC website.
11. Great Information.
12. Great presentation (2 Counts).
13. Helpful.
14. Honestly, it is well put together.
15. How she explained and broke everything down so that we could understand it.
16. How things work that I never knew about. It was Definitely helpful.
17. I am extremely shocked that everything was easy to follow and the website is very clear and specific.
18. I am happy about the instructional video. It really helped me to answer the questions easily.
19. I am very fascinated by the information.
20. I enjoyed it.
21. I enjoyed the presentation, described a lot of things for me.
22. I feel as if the presentation was full of information.
23. I feel like it was pretty clear and thorough.
24. I feel like the presentation was done amazingly and now I better understand the library services work.
25. I feel that everything was clearly explained.
26. I feel that it was helpful.
27. I found the presentation to be very informal.
28. I give the overall impression of the presentation a 10/10.
29. I like how organized it was.
30. I liked everything about it.
31. I liked it a lot. I learned a lot throughout the presentation.
32. I love Coahoma.
32. I loved it. It helped me a lot.
33. I think it had a lot of information that students can use to get a better understanding.
34. I think it's a good presentation.
35. It was overall outstanding presentation.
36. It was very informative. The librarian was prepared.
37. IT was good to learn about where to find the Articles for my assignments.
38. Great job.
39. 10/10
40. Everything was explained clearly. Overall, the presentation was good.
41. The presentation was very clear and helpful.
42. 7/10
43. 9/10.
44. It was quick and useful.
45. I really enjoyed it.
46. Great.
47. I enjoyed learning the material about the library.
48. It was a great presentation, and I was able to understand it properly.

53. Fast and clear.
54. 10/10 (3 count).
55. Great.
56. Very informative.
57. Wonderful presentation.
58. Informative.
59. She was very informative and helpful. Since the presentation, I've learned a lot of things that I didn't know and I feel more confident about the databases.
60. N/a.
61. I feel that I could find an eBook or article.
62. It was nice, I just couldn't see. But I'm glad that we were going at a good pace.
63. My impression of the presentation was me being amazed, because I learned new things.
64. It was good and simple.
65. Very hands on.
66. It was perfect.
67. My overall impression of the presentation is I wish I had it in my first year. It was really great.
68. Amazing, keep up the good work.
69. I enjoyed it and learned a lot.
70. It was formulated and concise.
71. Good and enjoyable.
72. The presentation was good. She covered everything I wanted to know.
73. My overall impression of the presentation was great. All of the information given was explained very thoroughly and if we had questions, they were answered with simplicity. That was good.
74. I thought it was very helpful, and the librarians' instructions were very clear.
75. This was a good presentation. I've had this presentation before in a different class.
76. I got to learn a little bit more about how to research more information. Meanwhile it was clear and understanding.
77. It was interesting and taught me a lot.
78. My overall impression of the presentation is very positive. The way the library instructor went through everything clearly was perfect.

Section II of the *Library Orientation Survey* consists of comments from students about other topics they would like to learn that were not covered.

2025 Spring Comments from the Library Orientation Survey Results for Students

Comments:

1. 10/10

2. Nothing no more I have everything covered.
3. N/A (93).
4. As of right now, everything that was taught in the video touched all the basis I wanted to learn about the library.
5. Citation and how to check out a book online.
6. Covered everything.
7. Everything that I needed to know was covered.
8. Every was covered fine and the teacher were great.
9. Everything I needed to know was covered.
10. Everything I needed to know, was covered throughout the videos.
11. Everything I wanted to learn seems to be covered
12. Everything provided from tips and notes were greatly appreciated in this course.
13. Everything was covered (14 Counts).
14. Everything was covered enough for me to understand and know about the library.
15. Honestly there is nothing else, I learned what I needed and what was important.
16. I can't think of anything else that should have been covered.
17. I don't think I have anything else that I would like to add. Everything was there.
I just think it's needs to be in more depth.
18. I learned everything. (2 Counts)
19. I personally think that everything was well covered to help me conduct my upcoming research.
Thanks, and keep up the great work.
20. I really can't think of anything.
21. I want to learn how to check out a laptop to cover a semester if you're not on campus!
22. I want to learn more about the back history.
23. I was really satisfied with everything I learned in this class.
24. I would be interested in learning more about the impact of early attachment with children.

Comments:

38. The course touched on everything I could think of to learn from it.

39. The presentation covered everything that I wanted to know.
40. The presentation was helpful, but it would have been great to learn more about specific research strategies, such as how to evaluate credible sources.
41. The things that I wanted to know was all covered in the presentations.
42. There else at the moment.
43. There is not anything at the moment that I would like to learn about.
44. There is nothing I will like to cover that wasn't covered.
45. There is nothing I would add.
46. There is nothing else I could have learned, it was brilliant.
47. There is nothing else I would have liked to learn.
48. Upon coming to the campus, I didn't know where the library was. There should be directions as to where it is located.
49. Well, nothing at the moment. I got an idea of how the library works for now.
50. About the media.
51. Everything I need to know was covered.
52. Everything that wasn't covered.
53. Everything was covered. (3 Counts)
54. How big is the library? About how many students can fit at a time? Is it spacious?
55. Nothing else. Everything is great!
56. Nothing no more I have everything covered.
57. That's all.
58. N/a everything I wanted to learn was covered.
59. More about the research papers.
60. It was good.
61. Everything I needed was covered.
62. I think she covered everything that I would need to know.
63. I think she pretty much covered everything.
64. I don't have anything.
65. I felt like everything was covered.
66. This is my first time in the library. I learned a lot. Nothing else needs to be covered.
67. How to find more sources.
68. Everything I needed to know was covered.
69. Nothing else. I learned what I need to know.
70. Do we have unlimited print outs?
71. I think the presentation covered everything.
72. Nothing off the top of my head.
73. Great surveys.
74. How many books are checked out on a daily basis?
75. More about the building on campus.
76. Nothing that I can remember.
77. Everything that was needed to know was covered.
78. Everything was covered.
79. I would like to learn more about printing and other services the library presents.
80. She said everything correctly.

Section II of the *Library Orientation Survey* consists of comments from students about other topics they would like to learn that were not covered.

2025 Spring Comments from the Library Orientation Survey Results for Students

Comments:

81. Nothing, everything was covered.
82. Nothing I can think of.
83. I've learned everything that I needed to know.
84. Mostly everything was covered.
85. Nothing at the moment.
86. There isn't anything.
87. She covered everything.
88. I think everything I would have liked to learn was covered in the presentation.
89. I would like to know about ordering books.
90. Nothing, I know how to go to the database and find the eBooks. Thank you for all you do!
91. Everything that was covered, was everything I needed to know. I don't have any unanswered questions.
92. I wouldn't like to know anything else.
93. I know most of the things we covered.
94. There is nothing else I would like to learn.
95. Nothing much. The video presentation covered pretty much everything.
96. Nothing, she covered everything.
97. Everything was covered. Thank you!
98. How to understand the books and understand what we are reading about.
99. I would like to learn more about purchasing the books and the process of that.
100. I have learned everything that I wanted to know more about.
101. Everything was covered just fine.
