General Information
The application submission time frame for the Polysomnography Technology Program is January 21st to May 18th.

Contact the Polysomnography Technology Department (662-621-4159) for clarification or questions regarding application.

Summer Requirements for fall 2022 admission to the Polysomnography Technology Program:
Successful completion of the Health Sciences Summer Enrichment Camp July 12, 2022 (Mandatory), 9:00 a.m. - 4:00 p.m. at the CCC Robert G. Mason Health Sciences Building, 901 Ohio, Clarksdale, MS 38614.

Application to Coahoma Community College:
An application to Coahoma Community College must be completed online or updated before applying to the Polysomnography Technology Program.

Go to:
https://coahomacc.force.com/apply/TX_SiteLogin?startURL=%2Fapply%2FTargetX_Portal__PB

The four requirements for general admission are a completed CCC application, Official high school transcript, ACT composite score of 16 or higher, and social security card.

Pre-Admission Requirements for the Polysomnography Technology Program include:

1. All requirements for general admission to the college must be met.
2. All pre-requisites are to be completed by the end of the fall 2022 semester.

Required Pre-Requisites:
3. Anatomy & Physiology I & II (8 hrs)
   • A minimum grade of “C” is required in all pre-requisites and must have taken within the last 7 years.
4. A cumulative GPA of 2.00 is required.
5. ACT composite score of 16 or higher.
6. Completion of the TEAS pre-admission examination.
7. Admission to the Polysomnography Technology Program is competitive according to weighted criteria. Meeting pre-acceptance requirements does not guarantee admission.
Application Process

The following documents must be submitted to the Polysomnography Technology Program by May 18, 2022 for an applicant to be considered for admission:

1. Completed CCC Polysomnography Technology application (Incomplete applications will not be considered for admissions).

2. **Official** copy of transcripts - Request two (2) official copies of transcripts from each college/university attended; one for the College and one for the Polysomnography Program, to be sent to student directly and then submitted with the application. To be official, transcripts must remain sealed in the original envelope). Failure to submit transcripts of all colleges or universities attended will be considered as an incomplete and/or falsified application.

3. CCC transcripts; submit a written request or go to CCC’s Registrar’s Office and request that an official seal transcript be sent to the Polysomnography Technology Program.

4. Official ACT (American College Test) scores.

5. TEAS scores—a student copy or copy printed from the internet is NOT acceptable. **Remotely testing of TEAS scores will not be accepted.**

6. Official sealed high school transcript.

7. Signed/witnessed program performance standards.

8. Signed/witnessed criminal background check information form.

10. Two letters of recommendation.

11. Physical Examination

For All Students Requesting Readmission (to the Polysomnography Technology Program) MUST complete an action plan for success form (form attached at end of application).

Submit COMPLETED application packet to the Coahoma Community College Polysomnography Technology Program, Rena Butler Health Science Annex, 917 Ohio Street, Clarksdale, MS, 38614 by mail or in person.

**Notification of Acceptance/Non-acceptance**

Letters of acceptance or non-acceptance will be emailed by the end of May. If a letter of acceptance is received, the recipient should respond within one week **in writing** using the “Confirmation of Acceptance” form included with the letter. Not confirming acceptance within a week can result in the admission slot being given to another applicant.

**Post Acceptance Requirements due September 2, 2022**

Once accepted into the Polysomnography Technology Program, the following will be required:

1. Evidence of vaccine or proof of titer for Hepatitis B series (at least the first shot). *(student’s responsibility)*

2. Evidence of vaccine for Varicella or proof of Varicella Titer. *(student’s responsibility)*

3. Evidence of two-step Tuberculosis (TB) screening. *(student’s responsibility)*

4. Evidence of COVID-19 vaccine. *(student’s responsibility)*

5. Current American Heart Association Basic Life Support (BLS) *(arranged by the program director)*
6. Current American Heart Association Advanced Cardiovascular Life Support (ACLS)  
   (arranged by the program director)
7. Criminal background check clinical clearance letter. (arranged by the program director)
   - Students will not be allowed to begin Clinical Applications I (2nd semester) if the  
     above requirements are not met by the specified time.

**Other Important Information:**

1. Student malpractice and accident insurance is obtained through the school and charged to the  
   student after the fall semester begins.
2. Each student is responsible for their own transportation which includes access to a  
   dependable car, a valid driver’s license, and proof of insurance as requested by law.
3. Travel to clinical facilities in adjacent location, (Memphis, TN and/or Jackson, MS) areas for  
   required clinical experiences is the responsibility of the student.
4. Clinical hours may be scheduled on day, evening or weekend shifts with varying hours that  
   may vary from four (4) to twelve (12) hours depending on the clinical requirements.
5. Students must have access to the internet, a computer with a webcam, e-mail and a working  
   telephone number.

The Polysomnography Technology Program is accredited by the Commission on Allied Health  
Education Programs (CAAHEP) (www.caahep.org).

COAHOMA COMMUNITY COLLEGE
POLYSOMNOGRAPHY TECHNOLOGY PROGRAM

DRUG ABUSE POLICY

It is the goal of Coahoma Community College to maintain an environment that is free from the effects of intoxicants or other behavior affecting substances. It is the college’s belief that a drug free environment is to the benefit of students and employees of Coahoma Community College as well as the surrounding community.

Once admitted to the Polysomnography Technology program, unannounced and/or random drug screens may be done. In addition, if a student exhibits any sensory symptoms or behavior indicative of being under the influence of mind-altering substances, a drug screen will be required immediately. Refusal to be tested will result in program dismissal.

All students must have evidence of a negative drug screen when tested.

I, ________________________, have read and understand the substance use policy of Coahoma Community College. I grant permission for drug and alcohol testing of myself and acknowledge consent by this signature affixed hereto. I grant permission for the laboratory facility to release lab results to Coahoma Community College.

I understand that I am responsible for providing written documentation from my physician regarding controlled substances that I am taking that could be positively identified in a drug profile.

COAHOMA COMMUNITY COLLEGE
POLYSOMNOGRAPHY TECHNOLOGY PROGRAM

Performance Standards for Admission and Progression

The following performance standards provide descriptions of basic cognitive, sensory, affective, and psychomotor requirements for successful Polysomnography Technology Program completion. Applicants and students who cannot meet one or more of the standards will be considered on an individual basis in terms of whether reasonable modification/accommodation can be made. Reasonable accommodations will be examined in accordance with the Americans with Disabilities Act (ADA) as well as the Performance Standards for Admission and Progression.

In order to successfully complete the Polysomnography Technology Program, an applicant/student must be able to do the following:

1. **Demonstrate critical thinking sufficient for clinical judgment.**
   
   *Examples*
   
   - prioritize information and identify cause-effect relationships in the clinical setting
   - analyze assessment findings and use findings to plan and implement care
   - evaluate plan of care and make revisions as appropriate
   - make decisions using logic, creativity and reasoning to make sound clinical judgments based on standards of Polysomnography
   - demonstrate arithmetic ability to correctly compute measurements, tell time, and use measuring tools

2. **Display interpersonal skills sufficient to interact with individuals, families, and groups in a variety of settings in the community.**
   
   *Examples*
   
   - respect differences among clients and exhibit an attitude accepting of clients as individuals
   - establish rapport in order to communicate effectively with clients, families, significant others, and health team members
   - work effectively in small groups as a team member and a team leader
   - recognize crises and institute appropriate interventions to help resolve adverse situations

3. **Demonstrate appropriate verbal and written communication skills.**
   
   *Examples*
   
   - speak English coherently to clients, families, and other staff members
   - clearly explain treatment procedures and initiate health teaching for clients, families, or groups based on assessed needs, available resources, age, lifestyle, and cultural considerations
   - provide clear, understandable written client documentation based upon proper use of the English language
   - convey critical information to other caregivers through graphic, print, and/or electronic media in an accurate, timely, and comprehensible manner

4. **Exhibit physical ability sufficient to assist clients to meet health care needs in a variety of settings, including moving from room-to-room, to maneuver in small spaces, and to negotiate stairwells when necessary.**
   
   *Examples*
• physical mobility and strength sufficient to propel wheelchairs, stretchers, etc. through doorways and close fitting areas alone or with assistance
• stand, walk up to 75% of 6 to 12 hour shifts
• stoop, bend, squat, reach overhead as required to reach equipment and provide care
• lift a minimum of 20 pounds of weight
• transfer/position up to 300 pounds with assistance while lifting, positioning, and transferring clients
• perform CPR satisfactorily and respond quickly in an emergency situation

5. **Demonstrate gross and fine motor abilities sufficient to provide safe and effective Polysomnography Technology techniques.**
   
   **Examples**
   
   • demonstrate physical dexterity and coordination in delivery of care, treatment, and medications
   • pick up, grasp, and effectively manipulate small objects such as dials, wires, switches, clasps
   • calibrate and use equipment
   • maintain sterile technique when performing sterile procedures

6. **Display auditory, visual, and tactile ability sufficient to safely assess and care for clients.**
   
   **Examples**
   
   • hear monitors, alarms, emergency signals, lung/heart sounds, bowel sounds, and cries for help, telephone, intercom interactions, and public address systems (codes)
   • perceive and receive verbal communications from clients, families, and health team members
   • read written words and information on paper and computer screens, small print, gauges, measuring cups, and other equipment
   • discriminate colors; changes in color, size and continuity of body parts
   • discriminate alterations in normal body activities such as breathing patterns and level of consciousness
   • observe hazards in environment (water spills, safety rails, restraints) and harmful situations
   • perform physical assessment: palpate pulses, feel for heat or cold, tap body surfaces

PLEASE CHECK:

_____ I do not require special accommodations to meet the performance standards.

_____ I will need the following accommodations to meet performance standards.

Please list:

______________________________________________________________________________
______________________________________________________________________________

I understand the requirements and feel that I can achieve the performance standards described for the Polysomnography Technology Program.

Signature ________________________________       Date _______________________

*Return this completed form with your application information.*
All students who will be providing direct patient care in health care institutions regulated by the MS Department of Health should be aware that Mississippi law requires background checks for individuals seeking employment in a health care facility.

According to the Mississippi State Law, an individual may not be eligible for employment if the criminal history record check discloses a felony conviction, guilty plea or plea of no contest to a felony of possession or sale of drugs, murder, manslaughter, armed robbery, rape, sexual battery, sex offense listed in Section 45-33-23 (f), child abuse, arson, grand larceny, burglary, gratification of lust or aggravated assault, or felonious abuse and/or battery of a vulnerable adult that has not been reversed on appeal or for which a pardon has not been granted.

Each student must submit to a criminal background clinical clearance letter by September 2nd, 2022. If a student does not receive a letter of clinical clearance following fingerprinting, they should make an appointment with the Program Director and take all criminal background documentation to the meeting.

A clinical clearance letter must be provided to the Polysomnography Technology Program for a student to be able to meet the clinical agency practice requirements of the program.

I, _________________________________ have read and understand the above information regarding the Mississippi State Law requiring background checks for individuals providing direct patient care in health care institutions regulated by the MS Department of Health.

Telephone: (662)621-4159/662-621-4830

Website Address: http://www.coahomacc.edu/programs-of-study/health-sciences

Type of Program: Allied Health

Length of Time: 3-4 semesters

Credits required for graduation:
• Polysomnography Technical Certificate
  ○ 45 credit hours
• Associates of Applied Science in Polysomnography Technology Program
  ○ 63 credit hours

Degree awarded:
• Technical Certificate (3 semesters)
  AND/OR
• Associate in Applied Science (4 semesters)

Estimated Costs/Fees:

Currently there is an additional $1,300.00 per semester polysomnography technology fee (this fee is subject to change). The fees include student malpractice insurance, uniforms, background checks, conferences/meeting fees, national membership fees, Registered Sleep Technologist (RST), Registered Polysomnography Technologist Exam (RPSGT), etc.

If student plans to live in the dormitory- additional cost of $1,960.00 per semester.

PSG – Year 1
1st semester - $3,698.00
2nd semester- $3,028.00

PSG – Year 2
3rd semester- $3,028.00
4th semester (AAS) - $1,525.00

What is the TEAS? The TEAS is a computerized pre-entrance test required for all applicants to the Coahoma Community College (CCC) Polysomnography Technology Program (PSG or PSV). The TEAS is used to evaluate applicants for admission to the Polysomnography Technology Program. The TEAS is only one of several criteria used in the selection process. The TEAS evaluates four different academic areas - Reading, Math, Science and English.

How do I prepare for the TEAS? The TEAS Study Guide is available for purchase in the CCC bookstore and online at https://www.atitesting.com/

How do I register to take the TEAS? Complete and submit the TEAS Registration Form along with a $65.00 money order a with your application. (See TEAS Registration Form)

Where do I take the TEAS? The TEAS is given on computer at the CCC Gathwright Workforce Center at 510 Sunbelt Drive, Clarksdale, MS (located on Highway 49 South); phone number (662) 627-9139. Parking is available in the front of the building.

- All applicants must pay according to the above instructions and create an account online prior to the day of testing.
  - Go to https://www.atitesting.com/
  - At the top right of the screen go to Sign In and click the tab Create an Account
  - Fill in the information
  - Create a user name and password (write it down so you will remember it on the day of the test as well as for future use)
  - After filling in the information click Register
- Bring a picture ID on the day of the test. Applicants will not be allowed to test without it.
- Calculators are not allowed.

What do I need to make on the TEAS to pass? Applicants are ranked according to performance on the TEAS as well as ACT and GPA. A TEAS specific passing score has not been set. The higher the TEAS sub-scores, the better the chances of acceptance are as long as ACT and GPA meet the admission criteria.

How often can I take the TEAS? Applicants may take the TEAS no more than once a year.

Where do I submit the TEAS Registration Form?
