It is the goal of the College to create a comfortable, friendly, pleasant, cooperative, and collaborative atmosphere in which employees can speak openly and freely. ## **SECTION 6: AT WILL EMPLOYMENT**

Many of the College's employees serve "at will," meaning that either the College or the employee may terminate the employment relationship at any time, with or without notice and with or without cause. Other employees are employed by the College pursuant to written contracts, which establish the terms and conditions of their employment.

Nothing contained in this Manual, or in any other written or unwritten policies or procedures of the College, creates or is intended to create an express or implied contract, covenant, promise, or representation between the College and any employee.

## **SECTION 7: HARASSMENT AND DISCRIMINATION**

### **7.1 DISCRIMINATION PROHIBITED**

It is the belief of the College that all employees have the right to work in an environment that is free of illegal discrimination. The College's commitment to this belief governs all aspects of employment, including (but not limited to) job selection, job assignment, promotions, compensation, discipline, termination, and access to benefits and training. Coahoma Community College does not authorize and will not tolerate any form of discrimination against any employee or non-employee based on race, sexual orientation, religion, color, national origin, age, disability, citizenship status, or any other factor protected by law.

### **7.2 HARASSMENT PROHIBITED**

Coahoma Community College does not authorize and will not tolerate any form of harassment of or by any employee (i.e., supervisory or non-supervisory) or non-employee based on race, sexual orientation, religion, color, national origin, age, disability, citizenship status, or any other factor protected by law. The College prohibits such harassment wherever it may occur – on campus, off campus, in outside work assignments, or at College-sponsored social or non-social functions, events, or programs. Should such harassment occur, the College would take appropriate corrective action to prevent its continuation or recurrence. In addition, the College will work to prevent the harassment of its employees by persons who are not College employees, but who are on the College's premises, or who have a business or other relationship with the College. This policy applies to each and every employee.

No person, whether employed by the College or not, shall threaten or suggest that an employee's refusal to submit to sexual harassment will adversely affect that person's employment, work status, evaluation, wages, advancement, assigned duties, hours of work or any other term or condition of employment. Similarly, no employee -- regardless of position or job title -- shall promise, imply, or grant any preferential treatment in return for another employee's acceptance of conduct, which is sexually harassing. This policy applies to each and every employee.

### **7.3 RETALIATION PROHIBITED**

The College will not permit retaliation of any kind against anyone who complains about unlawful harassment or discrimination, or against anyone who participates, in good faith, in an investigation into allegations of unlawful harassment or discrimination, or other protected conduct. Such retaliation is unlawful, and any individual found to have engaged in retaliation will be subject to disciplinary action, up to and including termination of employment.

## 7.4 DEFINITIONS

7.4.1 Discrimination. Generally, "discrimination" includes, but is not limited to, any adverse employment action taken due to an employee's race, sexual orientation, religion, color, national origin, age, disability, citizenship status, or other factors protected by law.

7.4.2 Harassment. Generally, "harassment" includes, but is not limited to, communicating, sharing, or displaying written or visual material or making verbal comments that are offensive, demeaning, or derogatory to a person because of his or her sexual orientation, race, color, religious creed, national origin, ancestry, age, or membership in a class that is protected by law.

Protected conduct under this policy includes, but is not limited to, reporting or complaining in good faith about any discrimination or harassment, or participating in an investigation about alleged discrimination or harassment.

7.4.4 Sexual harassment. "Sexual harassment" includes unwelcome sexual advances (either verbal or physical), requests for sexual favors, and other verbal, visual non-verbal or physical conduct of a sexual nature. The complaint will be promptly and discreetly investigated. Investigation of a complaint will normally include conferring with the parties involved and any witnesses. If the College determines that a violation of its policies has occurred, it will take appropriate disciplinary action, up to and including termination, to stop the misconduct and prevent further prohibited behavior. Harassment complaints are taken very seriously by the College, and employees should be assured that the College would take steps to address and to resolve any such problems.

## SECTION 8: WORKPLACE VIOLENCE

The College is committed to preventing workplace violence and to maintaining a safe work environment. Towards that end, the College has adopted a zero-tolerance policy with regard to any conduct that threatens, intimidates, or coerces another employee, student, member of the public, or other third-party.

Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these policies will be subject to prompt disciplinary action, up to and including termination of employment.

## **SECTION 11: ETHICS AND POLICY VIOLATIONS; WHISTLEBLOWING**

Coahoma Community College is committed to high standards of ethical, moral, and legal business conduct. Consistent with this commitment and the College's commitment to open communication, this policy aims to provide an avenue for employees to raise concerns with regard to suspected misconduct in the workplace, and reassurance that they will be protected from reprisals or victimization for whistleblowing. The whistleblower procedure is intended to be used for serious and sensitive issues, such as those relating to financial misconduct, or reporting unethical or illegal conduct; it is not intended to be used to address employment-related issues. Employment related issues should be resolved by following the grievance procedures contained elsewhere in this Manual.

### **11.1 NO RETALIATION**

No employee who, in good faith, reports a suspected ethics violation shall be subjected to harassment, retaliation or adverse employment consequences. An employee who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This policy is intended to encourage and enable employees to raise serious concerns within the College prior to seeking resolution outside.

### **11.2 ACTING IN GOOD FAITH**

Anyone filing a complaint concerning a violation or suspected violation must act in good faith and have reasonable grounds to believe that the information disclosed constitutes a violation. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

### **11.3 CONFIDENTIALITY**

Violations or suspected violations may be submitted on a confidential basis by the complainant. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

### **11.4 PROCEDURE FOR REPORTING VIOLATIONS**

If you become aware of any practices that you know or suspect are illegal, dishonest, dangerous, or unethical; which constitute violations of the College's policies and procedures; or which conflict or interfere with the best interests of the College, its employees, or its students, you **MUST** report them immediately. In most cases, an employee's supervisor is in the best position to address an area of concern. However, if the employee is not comfortable speaking with his/her supervisor, or is not satisfied with the supervisor's response, the employee is encouraged to speak with Dr. Taneshia Winston, Director of Employee Services, who may be reached by telephone, at (662) 621 -4853, or via email, at [ccc-hr@coahomacc.edu](mailto:ccc-hr@coahomacc.edu). An employee may ask for leave without pay as an extension of major medical leave or for other emergency reasons. Leave without pay to extend major medical leave or for other emergency reasons will not be authorized until all accrued major medical and annual leave has been taken. Requests for leave without pay to extend major medical leave or for other emergency reasons will be handled according to this section.

There is no right to leave without pay, and the College may grant or deny request for leave without pay at its discretion. Employees who have not yet accrued annual leave may request leave without pay, subject to maximum practicality, individual work responsibilities between semesters, and for assigned College-sponsored activities. Requests for leave without pay to extend major medical leave or for other emergency reasons will be handled on an individual basis and will be granted at the discretion of the President or his designee. The following guidelines will be used to evaluate each request: A written request for leave without pay detailing the employee’s need will be submitted to the Employee Services office;

1. The College’s ability to sustain the proposed absence;
2. The availability of a temporary replacement for the employee;
3. The duration of other leaves granted during employment;
4. Prior adherence to policies concerning use of leave.

The employee will submit a written statement to the Employee Services office by the first working day of each month confirming the employee will be returning to work by the date approved on the original request form.

The employee will report to the Employee Services office prior to returning to active employment to ensure that proper documentation for the leave without pay is provided (e.g., medical release) and to be reinstated on the payroll. Failure on the part of the employee to report promptly at the expiration of the leave without pay, unless satisfactory reasons have been submitted in advance, will be cause for dismissal or loss of leave status. Leave without pay to extend major medical leave or for other emergency reasons may result in dismissal if it is determined that an employee is not using such leave for sickness, disability, maternity purposes, or the emergency reason for which the leave without pay was requested.

OVERTIME AND COMPENSATORY “COMP” TIME

**OVERTIME AND COMPENSATORY (“COMP”) TIME POLICIES**

**The College’s workweek.** The standard College workweek begins at 12:01 a.m. on Sunday and ends at 12:00 midnight on the following Saturday. Days off may not be shifted from one week to another in order to avoid overtime compensation.

**Comp time in lieu of overtime wages.** As a general rule, the College does not budget for overtime pay and agrees to grant compensatory time off in lieu of overtime wages to eligible employees. However, the College may, at its discretion and with consideration given to budgetary resources, choose to pay overtime wages to employees instead of awarding compensatory time off. Non-exempt employees who work in excess of forty (40) hours per work week shall accrue compensatory time in accordance with the requirements and limitations set forth in the FLSA. Overtime is computed on a weekly, not daily, basis.

**NOTE: THIS POLICY DOES NOT APPLY TO SALARIED ACADEMIC TEACHERS, TRADES INSTRUCTORS, ATHLETICS INSTRUCTORS (COACHES), AND OTHER COLLEGE PERSONNEL WHOSE JOBS PRIMARILY REQUIRE THEM TO CONTRIBUTE TO THE EDUCATIONAL DEVELOPMENT OF STUDENTS. THIS POLICY ALSO DOES NOT APPLY TO CERTAIN ADMINISTRATIVE PERSONNEL.** Such employees are exempt from the FLSA and are not paid overtime. Exempt employees are expected to work the hours required to do their job in an effective and efficient manner.

The College's Office of Employee Services is responsible for determining the exemption status for all College positions. If you have any questions as to whether you are or are not properly covered by this policy, please contact the College's Director of Employee Services, whose office is located in the Vivian M. Presley administration building, in Room A-100. The College's Director of Employee Services may also be contacted by calling (662) 621-4853.

**Calculation of comp time awarded.** Compensatory time shall be taken at a rate of time and one half for each overtime hour worked.

**Eligibility.** All employees who hold non-exempt positions with the College are eligible for overtime and can earn compensatory time for overtime hours worked. A non-exempt employee must obtain the approval, in writing, of his or her supervisor or manager before working overtime. This request may be made at the last minute only in exceptional circumstances can. Last-minute requests will be evaluated on a case-by-case basis. An employee who works overtime without prior approval is subject to discipline, but shall be compensated in accordance with the FLSA.

Whenever feasible, efforts should be made to avoid accruing compensatory time by adjusting the employees' work hours within the same work week. Employees should make arrangements with their supervisor or manager to leave early or arrive late to avoid exceeding 40 hours worked in the same work week.

**Accrual of comp time.** Compensatory time off may accrue to a maximum of 240 hours within a 12- month period. At any point that overtime compensatory time exceeds 240 hours, the excess must be paid in the next available payroll. Also, any overtime compensatory time that is not taken within 12 months of the month it is earned, must be paid in the next payroll cycle.

The use of accrued compensatory time must be granted to employees upon request unless the granting of such time would disrupt the effective functioning of the department within which the employee works. Requests to use accrued comp time are handled in the same manner annual leave requests and must be requested in advance, pursuant to the College's policies.

**Record of hours worked.** For all employees who occupy non-exempt positions on a full-or part-time basis, including temporary, intermittent, and student employees, a written time record **MUST** be maintained of total hours worked. It is **ESSENTIAL** that the time report accurately reflect time worked

on an hour-for-hour basis. It is unlawful under the FLSA to require employees to work extra time in excess of their normally scheduled work hours without recording the extra time worked on their time reports exactly as the time is worked. The time report MUST be signed by the employee and approved by the appropriate manager, supervisor, or department head. Managers, supervisors, or department heads are also responsible for maintaining the employees' time reports for at least three (3) years, and for making them available at all times for review by the College's Office of Human Resources/Employee Relations, and for audit by the College's auditors.

#### **21.11 EDUCATIONAL LEAVE OF ABSENCE**

Leave without pay may be granted to full-time employees with approval of the President and Board of Trustees for purposes including, but not limited to, extended educational leave or educational opportunities. All leave of absence requests is considered on an individual basis. With designated prior approval, an employee may request leave of absence without pay not to exceed twelve (12) months, without forfeiting previously accumulated continuous service. {See Mississippi Code Annotated, Section 25-3-93 (2)}.

Instructors employed for five (5) or more years may request and be granted up to twelve (12) months' educational leave for the purpose of professional improvement benefiting the College and under terms agreed upon between the employee and the College in accordance with the employee's work responsibilities at the time of the request.

Employees seeking approval for educational enhancement are required to enter into written agreement with the College to return to assigned responsibilities for the following session in fulfillment of contractual obligations to the College. Employees will be required to make repayment for full salary received during the period of educational enhancement for failure to comply with said written agreement.

Full-time employees are allowed to request enrollment in only one (1) three (3) hour course during the fall or spring semester to receive waiver of course fees. Employees are not allowed to take courses during the regular work day. Enrollment in more than one (1) three (3) hour course will denote off payroll actions. Enrollment is contingent on verification by the immediate supervisor and division head that the employee's participation will benefit the College and the employee's professional development program. Employees may not request courses that duplicate credit on academic transcripts or which have no direct relationship to improvement of effectiveness or productivity within the employee's work responsibilities. All such requests are considered on an individual basis.

### **SECTION 22: FAMILY AND MEDICAL LEAVE**

#### **22.1 FMLA GUIDE**

Under the Family and Medical Leave Act (FMLA), an employee may elect to take up to 12 work weeks of unpaid job protected leave in a 12-month period, provided that he/she has been employed for at least twelve (12) months and has worked a minimum of 1,250 base hours (excluding over-time) during the preceding twelve (12) months.

An employee may request FMLA leave in the following circumstances: the birth or adoption of a child, the event of his/her own serious illness, the event of a serious health condition of a family member. As of January 16, 2009, FMLA was expanded to include qualifying exigencies arising out of the fact that the employee's spouse, registered domestic partner, son, daughter, or parent is on active duty or call to active duty status as a member of the National Guard or Reserves in support of a contingency operation.

Information concerning employees' rights and the benefits available under the FMLA is physically posted in the Vivian M. Presley Administration Building, near the entrance to the College's Employee Services Department, located in room A-100. Additional information concerning the administration of the College's FMLA policy may be obtained directly from the College's Employee Services Department, located in the Vivian M. Presley Administration Building, in Room A-100.

## **22.2 NOTICE TO EMPLOYEES**

The College requires that the employee use paid leave (annual and/or major medical) concurrently with FMLA.

## **22.3 ELIGIBILITY**

An eligible employee is one who has been employed by the College for at least a total of twelve (12) months, and has worked for at least 1,250 hours over the prior 12 months.

## **22.4 NOTICE AND SCHEDULING REQUIREMENTS**

Employees seeking FMLA leave should provide their supervisors and the College's Employee Services Department at least 30 days prior written notice of the proposed leave. Where advance notice is not possible, such as in the event of a medical emergency, notice should be given as soon as practicable.

Employees using intermittent leave or leave on a reduced schedule must make a reasonable effort to avoid disrupting College operations, including scheduling doctor's appointments outside of work hours. An employee using intermittent leave due to medical necessity should notify his/her supervisor and the College's Employee Services Department as soon as he/she knows that he/she will be unable to work, but no later than the starting time of the staff member's work day. A staff member must notify his/her supervisor on each day of absence unless other arrangements have been made.

Failure to follow this policy may delay or postpone the commencement of the leave and/or result in disciplinary action. Please contact the College's Human Employee Services Department for the applicable forms.

## **22.5 INTERMITTENT AND REDUCED LEAVE**

Eligible employees may be entitled to up to twelve (12) weeks of unpaid leave during any 12-month period (which period is measured backward from the date an employee uses any FMLA leave). Each time an employee takes FMLA leave, the remaining leave entitlement equals the balance of the 12 weeks that has not been used during the immediately preceding 12 months.

Where the College employs both spouses, they are each entitled to 12 weeks of FMLA leave for the birth and care of their newborn child, or for the care and placement with them of a child for adoption or foster care.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member shall be entitled to a total of 26 workweeks of FMLA leave during a 12-month period to care for the service member. The leave in this paragraph shall only be available during a single 12-month period, though that leave entitlement shall be applied on a per-covered-service member, per-injury basis.

In certain circumstances, employees may take intermittent leave or leave on a reduced leave schedule. Intermittent leave or leave on a reduced schedule for the birth and care or placement and

care of a child for adoption or foster care will be allowed only with the College's prior written approval. Intermittent leave or leave on a reduced schedule may be taken whenever medically necessary to care for a seriously ill family member or because of the employee's own serious health condition.

If an employee requests intermittent leave, or leave on a reduced leave schedule, that is foreseeable based on planned medical treatment, the agency may require such employee to transfer temporarily to an available alternative position for which the employee is qualified and with equivalent pay and benefits that better accommodates recurring period of leave than the employee's regular employment position.

Only the time actually taken as FMLA may be charged against the employee's leave entitlement when leave is taken intermittently or on a reduced schedule. For part-time employees and those who work variable hours, the FMLA leave entitlement is calculated on a pro-rated basis by comparing the new schedule with the employee's normal schedule (i.e., if an employee who normally works 30 hours per week works only 20 hours a week under a reduced leave schedule, the employee's 10 hours of leave would constitute 1/3 of the week of FMLA leave for each week the employee works the reduced schedule).

## **22.6 MEDICAL CERTIFICATION**

The College may require a medical certification from a health care provider to support FMLA leave requests either to care for an employee's seriously ill family member, or for leave due to a serious health condition that makes the employee unable to perform the functions of the employee's job. The employee must provide such certification in a "timely manner." The regulations define timely manner as within "15 calendar days, unless it is not practicable to do so under the circumstances." The certification provided will be sufficient if it includes the following information:

1. The date the serious health condition commenced;
2. The probable duration of the condition;
3. The appropriate medical facts within the knowledge of the health care provider regarding the condition;
4. For purposes of leave to care for an immediate family member who is seriously ill; a statement that the employee is needed to care for the son, daughter, spouse, or parent, and an estimate of the amount of time that such employee is needed to care for such son, daughter, spouse, or parent;
5. In case of an employee's serious health condition; a statement that the employee is unable to perform the functions of the position of the employee;
6. In the case of certification for intermittent leave, or leave on a reduced leave schedule, for planned medical treatment, the dates on which such treatment is expected to be given and the duration of such treatment.

If the College has reason to doubt the validity of the certification, the College may require that the employee obtain the opinion of a second health care provider designated or approved by the College. Said medical verification will be paid by the College. Any such health care provider designated or approved will not be employed on a regular basis by the College.

If the second opinion differs from the original certification, the College may require, at its own expense, that the employee obtain a third health care provider designated or approved jointly by the College and the employee concerning the validity of the previous information will be considered final

and will be binding on the College and employee. The College may require, at College expense, that the employee obtain subsequent recertification on a reasonable basis.

## **22.7 RESTORATION**

Employees, with the exception of certain highly paid “key employees,” are entitled to be restored to their positions after returning to work.

1. The employee will be entitled to be restored by the College to the position held by the employee when the leave commenced, or the employee will be entitled to be restored to an equivalent position with equivalent benefits, pay status, and other terms and conditions of employment.
2. The employee will not lose any employment benefits accrued prior to the date on which leave commenced.
3. The employee will not accrue any employment benefits during any period of leave.
4. The employee will not be entitled to any right, benefit, or position of employment other than any right, benefit, or position to which the employee would have been entitled to had the employee not taken the leave.
5. An employee who qualifies as a “key employee” may be denied restoration to employment. A key employee is one who is salaried and is “among the highest paid 10 percent” of the employees. The College will notify the employee of his or her status as a “key” employee in response to the employee’s notice of intent to make FMLA leave; notify the employee as soon as the College decides it will deny job restoration and explain the reasons for this decision; offer the employee a reasonable opportunity to return to work from FMLA leave after giving this notice; make a final determination as to whether reinstatement will be denied at the end of the leave period if the employee then requests restoration. The College is not required to determine which employees are “key” employees or to notify them of that status when leave is requested if denial of restoration is not expected to occur.

## **22.8 BENEFITS**

During any FMLA leave, the College will maintain the employee's medical, dental, vision, life and disability insurance coverage on the same conditions that coverage would have been provided if the employee had been continuously employed during the entire leave period. The College and the employee will each continue to pay their portion of the benefit costs. In some instances, the College may recover premiums it paid to maintain health coverage for an employee who fails to return to work from FMLA leave on a prorated basis.

During a FMLA leave, sick leave and paid time off will continue to accrue only during that portion of the leave which is paid by using sick or paid time off days. During any unpaid FMLA leave, sick leave and paid time off will not accrue. For those persons returning from any unpaid FMLA leave, accrual of paid time off and sick leave will resume the first of the month, which follows or coincides with the date the individual returns to active work. Where the FMLA leave is taken on an intermittent basis or as a reduced-schedule, sick leave and paid time off will continue to accrue during the leave on a pro rata basis.

## **22.9 RETURN TO DUTY FROM FAMILY OR MEDICAL LEAVE**

Normally employees returning from medical leave will be reinstated to the same or an equivalent position, with equivalent pay, benefits and other terms and conditions of employment. Failure to return to work once all paid leave and unpaid family and medical leave have been exhausted may result in termination of employment. However, at times, departments within the College may be restructured or reorganized due to changing institutional and operational needs, and the need to continually enhance programs and services. Such initiatives may result in position discontinuations, even positions held by employees out on family and medical leave or other types of leave. If an employee on family and medical leave has his/her position discontinued, he/she will be given at least 30 days written notice of the position discontinuation and will be informed of any applicable benefits for which he/she may be eligible.

Employees returning from leave for a serious health condition must also provide the College's Employee Services Department with a certification from a health care provider documenting their fitness to return to work. Employees who are unable to return to work at the end of the leave should notify the College's Employee Services Department, and the employee's immediate supervisor in writing at least two weeks in advance, and must have the physician re-certify that the leave is medically necessary. Supervisors should contact the College's Employee Services Department to discuss alternatives prior to taking any action if an employee is unable to return to work, has exhausted the 12 weeks of FMLA leave and/or is out of sick, PTO and/or STD days.

In addition, except as provided in this policy, an employee's use of FMLA leave will not result in the loss of any employment benefits that the employee earned before using FMLA leave. Use of FMLA leave will not be counted against the employee under a "no fault" attendance policy.

## **22.10 OTHER LEAVE ARRANGEMENTS**

The determination of whether an employee qualifies for FMLA leave will be made at the time leave is requested. If an employee is ineligible for leave under FMLA or has exhausted his/her 12 weeks, the employee may be entitled to a leave of absence under other policies established by the College, which address leaves of absence. Note that a leave of absence without pay is subject to the sole approval of the College.

FMLA benefits run concurrently with benefits provided by the College's sick leave, short-term disability, and Worker's Compensation programs.

## **22.11 NOTICE OF EMPLOYEE'S RIGHTS TO CONTINUE HEALTH COVERAGE (COBRA)**

Pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985 (otherwise known as "COBRA"), covered employees and their dependents who lose insurance coverage for any of the following reasons are eligible to continue certain benefits, including, but not necessarily limited to, medical and dental insurance: termination, reduction in hours, divorce or legal separation, death of the employee, eligibility for Medicare, or loss of dependent child status under the plan. All administrative rules and processes, such as open enrollment periods, as well as changes in plan benefits and premiums, apply to those on continuation coverage.

The Department of Finance and Administration of Blue Cross and Blue Shield of Mississippi is responsible for providing notification of COBRA eligibility and enrollment materials to the employee and dependents within 14 days of notification of termination, reduction in hours, death of the employee, or Medicare entitlement of the covered employee.

In the event of divorce or legal separation, or the loss of dependent child status under the plan, a covered employee or dependent must notify the College's Employment Services within 60 days to maintain the right to continue coverage. The College's Employment Services is located in the Vivian

M. Presley Administration Building, in room A-100. Employment Relations Department will then provide enrollment materials to the employee or covered dependent within 14 days of that notification.

The covered employee or dependent has 60 days to elect continuation of coverage from either the date coverage would ordinarily have ended under the plan by reason of a qualifying event or the date of notification, whichever is later. Election of continuation coverage is established by completing and returning enrollment materials to the Employment Services Department, the Plan Administrator, or other designated individual or entity, as applicable.

COBRA premiums will be billed by the applicable provider or Plan Administrator. The first premium is due within 45 days of the date of election. Subsequent premiums must be received within the terms set by the provider or Plan Administrator. Failure to make timely payments will result in termination of coverage without notice.

Continuation coverage under COBRA will end for any of the following reasons: the College discontinues its employee health plan; the premium payment is not made on a timely basis; the person who elected continuation coverage becomes covered under any other group plan or Medicare.

Continuation coverage will end after 18 months if the qualifying event was termination or reduction in hours, unless the qualified beneficiary is disabled at the time of termination or reduction in hours, in which case coverage may extend to a total of 29 months. Continuation coverage will otherwise end after 36 months.

The College's Employee Services Department will notify continuation coverage enrollees of the annual open enrollment period and will provide them with opportunities to make changes in benefit elections.

## **SECTION 23: TENURE, PROMOTION, CONTRACT RENEWAL, AND RESIGNATION**

### **23.1 TENURE**

Tenure is not available for any College employee.

### **23.2 PROMOTION**

Coahoma Community College's employment opportunities are made available through vacancy announcements. Employees desiring to be promoted are given the opportunity to apply for vacant positions. Promotions are made on the basis of actual performance or promotion potential. Coahoma Community is an equal opportunity institution in accordance with civil rights and does not discriminate on the basis of race, color, national origin, sexual orientation, disability, age, or other factors prohibited by law in any of its educational programs, activities, and employment opportunities.

### **23.3 CONTRACT RENEWALS**

Contract renewals are subject to the discretion of the Board of Trustees, acting upon the recommendation of the President. Written notifications shall be provided to employees whose contracts have not been recommended for renewal.

### **23.4 RESIGNATION**

Unless otherwise specified by the contract, employees who are employed by the College pursuant to a contract of employment must give a 30-day written notice to the office of the Employee Services, located in the Vivian M. Presley Administration Building, in room A-100. The decision to release an employee from his or her contract must be accepted and approved by the President and

the Board of Trustees.

An administrative employee who wishes to resign may do so by submitting written notification to the Employee Services office at least fourteen days prior to the desired termination date. In all cases involving the resignation of instructors and administrative personnel, the President has the authority to set the actual termination date and to establish other conditions of separation in accordance with the needs of the College.

#### **SECTION 24: PERSONNEL RECORDS**

Personnel records are accepted from the Public Records Act (Mississippi Code Annotated 25 - 61- 1 et. seq.). Therefore, information may not be released without written authorization or court order for lawful purposes. The Office of Employee Services maintains the official personnel records for all employees of the College. Department deans, directors, or chairpersons may maintain supplemental employee personnel files (SEPF) relating to an employee's performance. Employees have the right to review documents maintained in official or supplemental employee personnel files upon request and pursuant to the College's procedures.

#### **SECTION 25: BACKGROUND CHECKS**

Background checks will be performed upon all applicants who apply for employment with Coahoma Community College. Background checks may also be conducted on employees who are promoted or transferred into new positions, as deemed necessary. Offers of employment may be withdrawn, and other employment decisions may be rescinded (including, but not limited to, promotions and transfers), based upon information obtained when conducting such background checks. Such background checks may include (but are not necessarily limited to) searches relating to an individual's driving history (if driving is an essential requirement of the position) and an individual's credit history (if the position involves the management of College funds and/or the handling of cash).

In instances where negative, incomplete information, or otherwise disqualifying information is obtained during the background check process, the College's Department of Employee Services will assess the potential risks and liabilities related to the job's requirements, and determine whether the individual should be hired, notwithstanding the negative or incomplete information obtained. If a decision not to hire or promote a candidate is made based on the results of a background check, compliance with certain additional Fair Credit Reporting Act (FCRA) requirements may be indicated. The College's Department of Employee Services will be responsible for complying with such FCRA requirements, as necessary. The College will observe all applicable FCRA requirements throughout the background check process. Any questions regarding FCRA should be directed to the College's Department of Employee Services.

Information obtained specifically as a result of performing a background check in relation to an applicant or an employee will be maintained in a file that is separate from the employee's personnel file. The College will maintain confidentiality with regard to all information obtained during the background check. Only authorized College personnel will have access to this information.

All requests for information on current or former employees must be referred to the College's Department of Employee Services. Information given by phone will be limited to verification of employment dates, position title, and salary.

In response to written requests (i.e., mortgage applications), information such as salary, dates of employment, and job position may be provided if an authorization, signed by the employee, is provided.

Representatives of government or law enforcement agencies, in the course of their business, may be allowed access to file information in response to a legal subpoena or court order.

## **SECTION 26: REPRIMANDS AND OTHER DISCIPLINARY ACTIONS**

Employees of Coahoma Community College are expected to maintain work practices, which reflect a commitment to excellence. This commitment should be demonstrated by job performance and compliance with professional standards as established by the policies and procedures described in this manual. All employees of the College are required to abide by the policies and procedures included in this Manual, as well as other rules and regulations, which may be established, by the President, the College's Employment Relations Department, or the Board of Trustees. Any employee who violates or neglects to follow a policy, rule, regulation of Coahoma Community College, or applicable state or federal law is subject to disciplinary action, up to and including termination.

The College, through its President and persons designated by the President and the Board of Trustees, reserves the right to impose discipline upon any employee when appropriate and necessary. The specific actions that may warrant disciplinary action include, but are not limited to:

1. Insubordination or disregard of a directive;
2. Falsification of College records;
3. Disregard of general safety and safety instructions;
4. Unauthorized removal or possession of College property;
5. Poor work performance;
6. Use of profane, inappropriate, or abusive language;
7. Working in an unsafe manner which results or may result in accident or injury;
8. Misuse, defacement, or destruction of the College's premises, property, and/or equipment;
9. Use of the College's premises, property, or equipment for any purpose deemed to be hazardous, unsuitable, or inappropriate;
10. Use of the College's property for the employee's personal use or benefit or gain;
11. Actions deemed to be detrimental or inconsistent with the best interests of the College, or which may impair or interfere with the operation of the College;
12. Violations of any policies set forth in this Manual; and
13. Other actions deemed by the supervisor, President, other appropriate individuals, or the Board of Trustees to require disciplinary action.

Disciplinary or corrective action for unsatisfactory job performance or misconduct is normally (but may not necessarily be) imposed on a progressive basis and in consultation with the Employee Services Department. Steps may be omitted or repeated depending on the frequency, severity, and/or nature of performance or misconduct at issue. Progressive discipline or corrective action may not be imposed in situations involving serious misconduct. Cases of serious misconduct could result in termination of employment. Possible disciplinary actions include, but are not limited to, oral warnings or reprimands, written reprimands, probation, suspension without pay, demotions, transfers, and

termination of employment. The specific disciplinary action to be taken will depend on the nature and extent of the offense, the employee's previous record, and such other factors as deemed relevant by the President and/or Board of Trustees, if and as appropriate.

Any employee who is suspended without pay, demoted, or dismissed from his or her employment will be given written notice of the intended disciplinary action. In some circumstances, as determined by the President, the Employee Services Department, other appropriate individual(s), or the Board of Trustees, an employee may be suspended immediately with pay, pending preparation and service of the written notice referenced in this section.

## **SECTION 27: GRIEVANCE PROCEDURES**

Coahoma Community College is committed to maintaining a workplace in which all employees can collaborate and communicate freely with each other. The College recognizes that situations may arise in which employees believe that they may have been subjected to unfair treatment by the College, or that they have been subjected to actions which violates the College's policies or the law. When this happens, employees are strongly urged to seek advice from an appropriate member of the College community. There should be no fear of reprisal or retaliation; the matter should be handled in a confidential fashion.

While it is not required, employees who believe that they've been subjected to improper or unfair treatment by the College or to behavior, which violates any of the College's policies may first try to solve the problem through direct communication with the other person(s) concerned. Again, there should be no fear of reprisal or retaliation; the matter should be handled in a confidential fashion. If a discussion is not appropriate or possible, or if the employee is not comfortable trying to communicate directly with the other person(s) concerned, the person should promptly bring the problem to the attention of the College's Employee Services Department, located in the Vivian M. Presley Administration Building, in room A-100.

Please note that the procedures contained in this policy are not intended to be used to challenge the desirability or application of the College's policies. Grievances do not involve claims of possible discrimination on the basis of race, color, sexual orientation (including sexual harassment), religion, creed, age, handicap, national origin, or status as a veteran. Employees wishing to pursue claims of such discrimination must report them directly to the College's Employee Services Department, located in the Vivian M. Presley Administration Building, in room A-100.

Disputes over salary or rates of pay, or disputes over a supervisor or administrator's judgment regarding job performance or professional competence, will not ordinarily constitute the basis for filing a grievance under this policy. The College's Employee Services Department will determine whether or not a dispute is within the scope of this policy.

The grievance procedures set forth below may be invoked by faculty or staff employees. This grievance policy is in place for current employees of the College. Contract non-renewals are not subject to review under the grievance policy.

### **27.1 NON-RETALIATION**

Employees who file grievances in good faith shall not be subject to retaliation for making or pursuing such claims. Likewise, faculty or staff providing evidence in the grievance process on behalf of or against another's claim shall not be subject to retaliation for their participation in the grievance process.

If the evidence reveals that any of the parties involved in the grievance process have fabricated information, then the College's Employee Services Department may recommend disciplinary action,

including, but not limited to, demotion, suspension, termination, or other employment for the offending party or parties.

## 27.2 THE GRIEVANCE PROCESS

Note: The deadlines established by the grievance process are intended to promote a speedy and fair outcome for all concerned. If compliance with a deadline is not practical or reasonable in the circumstances, the individual or party who cannot comply with the deadline should request an extension of it from the College's Employee Services Department. Ordinarily, no more than one extension should be requested or granted during the course of any grievance proceeding. Accordingly, all parties should do their part to comply with all deadlines.

**Step 1** – Within **seven (7) business days** of the incident(s) or situation(s) forming the basis of the grievance, the aggrieved employee is encouraged to meet with the persons directly involved in or implicated by the event(s), incident(s) or situation(s) forming the basis of the grievance, and to try to resolve the problem(s) informally. The aggrieved employee is also encouraged to seek the assistance of the College's Employee Services Department to coordinate the meeting, and/or to provide guidance or participation in the meeting, if the aggrieved employee believes that the assistance and/or participation of the College's Employee Services Department will promote the likelihood of achieving a satisfactory result.

**OR**

If a meeting between the persons directly involved in or implicated by the event(s), incident(s) or situation(s) forming the basis of the grievance is reasonably deemed by the aggrieved employee to be unlikely to produce a mutually satisfactory conclusion, or if the aggrieved employee is not comfortable communicating directly with the other person(s) concerned, then the aggrieved employee should proceed to Step 2.

**Step 2** – If a mutually-acceptable outcome was not achieved as a result of a meeting between the persons directly involved in or implicated by the event(s), incident(s) or situation(s) forming the basis of the grievance (as described in Step 1, above), then the aggrieved employee may file a written statement of the grievance with the College's Employee Services Department within **three (3) business days** after the meeting was held.

**OR**

If a meeting was not held between the aggrieved employee and the persons involved in or implicated by the event(s), incident(s) or situation(s) forming the basis of the grievance, the aggrieved employee may file a written grievance within **ten (10) business days** after the event(s), incident(s), or situation(s) that led to the grievance. If an employee fails to file his or her grievance within 10 days of the event(s), incident(s) or situation(s) that led to the grievance, the fact-finding process may be impaired and additional time may be required to investigate the aggrieved employee's complaint and make a determination.

**Contents of the grievance statement.** The grievance statement filed by the employee must include the employee's name, position, and department; the name of the employee's supervisor; a detailed description of the alleged grievance, including, as is appropriate, the dates of the occurrence(s); the date when the employee discovered the action upon which the grievance is based; a narrative statement which describes how the matter arose; a description of when and how the employee learned of the matter; the misconduct, unfair treatment, or improper action(s) that occurred, or the rights which the employee believes were violated; subsequent actions taken by the employee; any actions taken by the employee to resolve the matter; and a description of the specific remedy desired; and the employee's signature.

After the grievance statement has been submitted to the College's Employee Services Department, a copy of the grievance statement may be provided to the person(s) directly involved in or implicated by the event(s), incident(s) or situation(s) forming the basis of the grievance, and to other appropriate College personnel by the Employee Services Department.

**Step 3** -- The College's Employee Services Department will conduct an investigation to collect pertinent information relating to the grievance, which may include individual discussions with the employee filing the grievance and the person(s) involved in or implicated by the grievance, based upon the availability of the individuals. This investigation should be concluded within **ten (10) business days** after the filing of the grievance, unless additional time for investigation is needed in the circumstances. If appropriate, written statements may be obtained from witnesses and/or from person(s) involved in or implicated by the grievance.

**Step 4** -- After the investigation has been concluded, a representative from the College's Employee Services Department shall promptly convene a meeting with the employee filing the grievance, the person(s) directly involved in or implicated by the event(s), incident(s) or situation(s) forming the basis of the grievance, and other personnel, as is appropriate, to review the situation and to discuss a possible resolution of the grievance that is acceptable to all parties, if any. If a mutually agreeable resolution can be achieved, no further actions will be taken by the College's Employee Services Department in relation to the grievance.

**Step 5** -- If an agreeable resolution cannot be achieved by agreement (as described in Step 4), the College's Employee Services Department will notify the aggrieved employee of its determination in relation to the grievance within **seven (7) business days**. The College's Employee Services Department may also notify other appropriate personnel of the determination, as well, and may recommend any action(s) deemed to be necessary or appropriate -- including disciplinary action -- to resolve the grievance. The parties named in or implicated by the complaint have **three (3) business days** to accept the decision and the recommended actions, or to proceed to the next step.

**Step 6** -- If the parties named in or implicated by the grievance are not satisfied with the College's Employee Services Department's determination and recommended actions, the aggrieved party or parties may submit a written appeal to the College's Employee Services Department within **three (3) business days** after receiving notification of the determination and recommendations. Failure to file an appeal within three (3) business days constitutes an acceptance of the decision and recommended actions rendered.

Upon appeal, a grievance hearing ordinarily shall be scheduled by the College's Employee Services Department to take place within **fourteen (14) days** after the appeal and request for a grievance hearing has been submitted to College's Employee Services Department. The grievance will be heard by a neutral hearing officer selected by the College. Attendance at the hearing shall be restricted to the hearing officer, witnesses, and College representatives. The hearing officer shall preside at the hearing and any party who wishes to present evidence, examine witnesses, summarize evidence, or present arguments may do so only with the consent of the hearing officer. It is the responsibility of the aggrieved employee to show that there has been a violation of policy or established practice. If the aggrieved employee wishes to obtain testimony from witnesses at the hearing, the names of witnesses must be provided to the College's Employee Services Department at least seven (7) days prior to the hearing date (to avoid possible scheduling conflicts among witnesses). The privacy of confidential records used in the hearing shall be respected. The aggrieved employee or a party to the grievance may submit suggested questions or proposed inquiries of witnesses, in writing, to the hearing officer at the time of the hearing, and the hearing officer may, at his or her discretion, ask the questions or pursue the proposed inquiries at the hearing, if they are deemed by the hearing officer to be relevant. An audio recording or stenographic record of the hearing will be maintained. (If an audio recording of the hearing is made, a copy of the recording may later be requested by the aggrieved

employee, if an appeal is filed in relation to any determinations or recommendations subsequently issued by the hearing officer.) The hearing officer may consider both oral testimony and written materials, and other evidence. Upon receipt of any written statement or evidence provided by any party to the hearing officer, the hearing officer shall promptly provide the other party with a copy of such materials.

After the close of the hearing, the hearing officer shall issue a report within **fourteen (14) business days** which contains his or her findings and non-binding recommendations, based upon the evidence, information, and testimony presented at the hearing. A copy of the hearing officer's report will be immediately provided to the aggrieved employee and to all other parties named in or implicated by the complaint. The aggrieved employee, or any other party against whom an adverse employment action has been recommended in relation to the grievance, has **seven (7) business days** to accept the decision and/or recommendations of the hearing officer, or to proceed to the next step. The report and/or recommendations of the hearing officer shall be advisory; the College retains the right to accept or to reject the findings, recommendations, and decisions of the hearing officer, in whole or in part, for the purposes of deciding upon an appropriate course of action and/or response in relation to the grievance.

**Step 7** -- If the parties named in or implicated by the grievance are not satisfied with the decision and/or recommendations of the hearing officer, the aggrieved employee or implicated parties may submit a written appeal to the College's Employee Services Department within **seven (7) business days** after the hearing officer's report and recommendations have been mailed to or otherwise provided to the aggrieved party or parties. The appeal must include a detailed description of the basis of the appeal, and a detailed statement which explains why the hearing officer's determination and/or recommendations are in error. This appeal shall be submitted to College's Employee Services Department. The College's Employee Services Department shall then provide all investigative, hearing, transcript, personnel, and other materials (including the hearing officer's report and/or recommendations) to the President of Coahoma Community College for his or her consideration. Within a reasonable period of time, the President shall review these materials and, at his or her discretion, any other available evidence, information, and testimony, for the purposes of determining whether to sustain the grievance and/or the hearing officer's recommendations, in whole or in part; to reject the grievance and/or the hearing officer's findings and/or recommendations, in whole or in part; or to take other appropriate action, in his or her discretion. The report and/or recommendations of the hearing officer and/or of the College's Employee Services Department shall be advisory, and will not bind the President to a particular decision. The President's review of the grievance and the hearing officer's report and recommendations may be made in consultation with the College's Employee Services Department, with the Board of Trustees, and/or with other individuals, as is or may be appropriate. The decision of the President is final

## SECTION 28: HISTORY AND LOCATION

Coahoma Agricultural High School was established in 1924 becoming the first agricultural high school in Mississippi for Negroes under the existing "separate but equal" doctrine. The junior college curriculum was added in 1949, and the name of the institution was changed to Coahoma Junior College and Agricultural High School.

During the first two years (1949-1950), the junior college program was conducted by one full-time college director/teacher and a sufficient number of part-time teachers from the high school division. A full-time dean and college faculty were employed in the third year of operation.

During the first year of operation (1949), Coahoma Junior College was supported entirely by county funds. In 1950, Coahoma Junior College became the first educational institution for Negroes to be included in Mississippi's system of public junior colleges and to be eligible to share in funds appropriated by the Mississippi Legislature for the support of public junior colleges. Other counties

also began to support the junior college, including Bolivar, Quitman and Sunflower.

In 1965, Coahoma Junior College opened its doors to all students regardless of race, color, sexual orientation, national origin, or disability.

During its history, Coahoma Community College and Agricultural High School has been headed by eight superintendents and four presidents: M. L. Strange, 1924-25; J. M. Mosley, 1924-29; J. W. Addison, 1929-37; J. B. Wright, 1937-45; B. F. McLaurin, 1945-66; J. E. Miller, 1966-79; McKinley C. Martin, 1980-92; and Vivian M. Presley, 1992 to June 2013. With her appointment as superintendent/president on January 6, 1992, Dr. Vivian Presley became the first female to head Coahoma Community College and Agricultural High School and the first woman to head a community/junior college in the state of Mississippi. Dr. Valmadge Towner was named Coahoma Community College's fifth president to join an esteemed group of college leaders, July 2013.

With the approval of the Board of Trustees of Coahoma Junior College and the State Board for Community and Junior Colleges, Coahoma Junior College's name was changed to Coahoma Community College, effective July 1, 1989.

In the spring of 1995, after many years of not having an official district, a bill was introduced to and passed by the Mississippi Legislature and signed by the Governor Kirk Fordice giving Coahoma Community College a district. Effective July 1, 1995, the Coahoma Community College district became Bolivar, Coahoma, Quitman, Tallahatchie, and Tunica Counties.

### **SECTION 38: SUBSTANTIVE CHANGE**

**Purpose:** The purpose of this policy is to establish the requirements, procedures and processes necessary to ensure timely coordination and notification of substantive changes involving the Coahoma Community College to the college's regional accrediting body, the Southern Association of Colleges and Schools, Commission on Colleges (SACSCOC).

**Responsible Official(s):** President and/or Chief of Staff

**Personnel Responsible for Policy Implementation:**  
 Department Chairs/Program Coordinators  
 Instructional Deans  
 Accreditation Liaison

**Overview:** As defined by the SACSCOC, a “substantive change is a significant modification or expansion of the nature and scope of an accredited institution.” SACSCOC is required by the federal government to monitor the compliance of its member colleges and universities with the substantive change policy and to grant permission for major changes to occur. The SACSCOC Board of Trustees requires notification of substantive changes as a condition of accreditation standard 14.2 and, in some cases, approval prior to implementation. This policy and its procedures address substantive changes identified through federal regulations and the SACSCOC Board of Trustees.

### What is a Substantive Change?

Substantive changes include, but are not limited to

- Initiating coursework or programs at a different level than currently approved
- Expanding at current degree level (significant departure from current programs)
- Initiating a branch campus
- Initiating certificate programs
- Altering significantly the educational mission of the institution
- Initiating joint or dual degrees with another institution
- Initiating a certificate program at employer’s request and on short notice
- Initiating off-campus sites
- Expanding program offerings at previously approved off-campus sites
- Altering significantly the length of a program
- Changing from clock hours to credit hours
- Initiating a direct assessment competency-based program
- Initiating distance learning
- Entering into a contract with an entity not certified to participate in UDOE Title IV programs (for the delivery of an educational program)
- Initiating programs/courses offered through contractual agreement or consortium
- Initiating a merger/consolidation with another institution
- Changing governance, ownership, control, or legal status of an institution
- Adding a permanent location at a site where the institution is conducting a teach-out for students from another institution that is closing
- Closing a program, approved off-campus site, branch campus, or institution

### Why is it so important that we report substantive changes to SACSCOC and other relevant entities?

Failure to comply with the SACSCOC Substantive Change policy and report substantive changes in a time-appropriate manner may result in negative actions being taken against Coahoma Community College by the Commission or the Department of Education. Specifically, potential consequences include:

- Loss of Title IV Funding
- Repayment of monies received from the U.S. Department of Education for programs related to the unreported substantive change
- Sanctions or removal from membership of the SACSCOC

Some substantive changes must also be reported to the Department of Education for federal financial aid purposes. The Accreditation Liaison will notify the Office of Financial Aid of substantive changes involving off-site locations and initiation of new programs.

There are three procedures established by SACSCOC for addressing the different types of substantive changes.

- **Procedure One** for the review of Substantive Changes Requiring Notification and Approval Prior to Implementation (e.g., initiating a new off-campus site, offering 50% or more of a new degree program online)
- **Procedure Two** for Review of Substantive Changes Requiring Only Notification Prior to Implementation (e.g., offering 25-49% of a new degree program online, initiating a joint degree program with another SACSCOC accredited institution)

- **Procedure Three** for Closing a Program, Site, Branch Campus or Institution (e.g., ceasing to offer a degree program at an off-campus site, closing an approved off-campus site)

Which procedure to be employed for differing types of substantive changes is clarified in the SACSCOC policy statement entitled Substantive Change for Accredited Institutions of the Commission on Colleges, see attached Appendix C, starting on page 145). The different types of substantive changes, the specific procedure to be used for each, their respective approval/notification requirements, fees, and their reporting time lines are included on pages 145-146. A detailed presentation of the procedural steps to be followed in executing Procedure One, Procedure Two, or Procedure Three is presented on pages 145-146.
