

Coahoma Community College

Dickerson-Johnson Library WI-FI Hotspot Use Policy and Agreement

- Hotspots are to be used by Coahoma Community College students, faculty, and staff who do not have Internet access at home for homework assignments, school business, or while traveling for school business. **These devices are not to be used on Coahoma's campus.**
- The checkout period will be for the duration of need of the hotspot, not to exceed one semester.
- You are responsible for the cost of the hotspot and its charger if lost, stolen, or damaged. You are responsible for any data used and the cost of the used data while the hotspot is either lost or stolen while in your possession. The replacement cost of the hotspot is \$250. The replacement cost of the charger is \$25.
- You are required to know and follow the library's policies and Coahoma's policies regarding computer/Internet use while using the hotspot, including the Coahoma Community College Acceptable Use Policy for Computing, the Student Code of Conduct, and copyright laws. The librarian can provide you with copies of these policies upon request.
- Library staff will give you a brief orientation on how to use the hotspot. Library staff reserves the right to ask where you will be using the hotspot to determine whether service coverage exists in your area. Due to the limited numbers of hotspots, the library staff also reserves the right to deny you checkout privileges to the hotspot if coverage does not exist where you will be using it.
- If you find that the hotspot does not provide you with Wi-Fi due to issues, including but not limited to lack of service coverage in the areas you are using it, please return it to the library immediately so that someone else may have an opportunity to use it.

Current students, faculty, and staff with a valid CCC ID card, a valid mailing address, and a current email address can check out a hotspot at the Reference Desk on 2nd Floor of the library before 4:00 p.m. Return hotspots to the reference desk only, unless otherwise instructed. You are required to sign and date a copy of this agreement each time a hotspot is checked out. Hotspots are available daily on a first-come, first-served basis.

By signing and dating this form below, I acknowledge that I have read, and I understand this Wi-Fi Hotspot Policy and agree to abide by it.
