

Coahoma Community College Storm Shelter

This building was constructed in 2016-2017 in order to provide a place for individuals on campus and individuals within a **1.5 mile radius** of the building to seek shelter during weather events (tornados). Major funding was provided by the Mississippi Emergency Management Agency, Coahoma County Board of Supervisors, and Coahoma Community College.

To gain access to the Storm Shelter during inclement weather, please contact CCC's Department of Campus Safety by dialing 662-621-4175 or calling the after hours safety number at 662-645-1837.
